RANK

6 Edes Cocktail scored a surprising win two starts back and comes from a second place after a layoff. Run under his belt now and our pick in a fairly open race. **4 Galleon** has put in several good efforts this year but not won for a while. He is good for this company and should be considered early. Probably barefoot. **10 Che Carina** won at Solvalla in March and comes from a fifth place in the V85. Going down in class now and is a contender despite this tricky lane. **2 Precious Flight** was completely superior from the lead at this track in September and then, like now, the horse had not raced for a long time. Could repeat that effort here.

RANK

1 Tulinas Elina has taken four straight wins for Kristine Grandrud Aune and done really well. Is now back after injury and the form is hard to predict. Is a quick starter and takes the lead. **9 Litas Bork** also has four wins in six starts and he is coming back after a very long pause too. He competes barefoot behind for the first time. **2 Edla Karma** has only one win in 20 starts but comes from a second place and seems in good form. Now driven by Ove A Lindqvist. **4 Moshus Jenta** has only scored one win but seven second places. She finished second in the last comeback and should be better now. Jill Ivarsson is driving this time.

RANK

9 Fabulous Boy wins often and comes from victory. Should be even improved by that run under his belt and has a good chance with the right trip. Marcus Lilius this time. **6 Grand Eagle** has a nice task. He did well in the last race and from this lane the horse has a good chance of reaching the front. **7 Every Day Elegant** was a good second after a layoff in the last race and has had another pause after that. Ove A Lindqvist again and should be considered early despite a slightly tricky number. **1 What A Magic** has not impressed at the end but has a nice lane and this time she competes barefoot behind. Could be a place bet.

1 Troll Rapp has two wins in a row and has a perfect task here. Will probably take the lead with Jan Ove Olsen and will be hard to beat. Banker. **11 Granbarksborren** is a pretty good horse from Jan-Olov Persson. He was second in the seasonal debut and should be even better now. Tricky number but early choice. **2 Ymer Dox** took two wins in a row in December but did not impress in his comeback last time. Should be better now and could get a nice trip behind the favorite. **4 Lome Hilda** has not competed for a long time but is not that bad and will be interesting to follow for new trainer Micael Melander. Ove A Lindqvist is driving this time.
