**8 Voyle Prinsen** has been really good of late and comes with two wins in a row for Jomar Blekkan who is driving again here. Has three wins and three second places in six starts. Good chance. **9 Björn** took his first win in the 25th start last time. He won from the lead then but has a different starting position now. Still an early choice. **1 Poff** has been quite consistent and good so far but is now coming back after a layoff. Should get a nice trip from here. **3 Pave Jerkeld** won very easily with energy left from the lead two starts back. Was not empty when he galloped in the last race. Possible behind the favourite.

**1 One For The Money** gets our pick in this weak race. Won three races last year and did well as third from the lead in the last race. Good number. **3 Googooman** earned the most money last year and has been quite consistent and good this year. Good draw and early choice in this field. **7 Casartelli** is also quite good for this race and was second from the pocket two starts back. Has to be considered. **8 Herecomes Gardenia** has not won for a long time and this number is really difficult. However, she seems in good form and is an outsider.

**8 Creek's Nu Love** was outstanding when he won a ridden race at this track in March. He faces very nice conditions money-wise and should have a good chance again. **9 Gold Ripasso** was clearly beaten by Creek's Nu Love in the same race. He is looking for revenge but that will be tough. **6 Saga Krobak** wasn't at his best last time but took two nice wins before that. Has earlier done well under the saddle. Place bet. **1 Diggins** has scored two good fourth places lately and will get a nice trip from here.

**9 Nordic Bay** took a great win from the lead in the last race and looks in fine form. Different draw now but still gets our pick. **1 SK's Maharana** has not won yet after 23 starts but has a nice task here. Reaches the front and can lead this for a long time. **6 Kelvin Hydrup** sprinted to a nice win in January and with a similar performance he can be in the mix again. **5 Megatron** is waiting for his first win but had a pretty good season last year. Comes back after a break but should not be overlooked if well prepared.

**10 Alm Vinni** won a V85 race at Östersund in December. Maybe not in top form now but good enough to win this race anyway. **4 Linselusa** sprinted to an easy win at the beginning of March and has done well since then. Has a 20 meter lead towards our pick and that could be enough. **5 Arona** kept up the pace well to win at Östersund two starts back. Was fourth from the lead after a very fast start in the last race. Reaches the front again? **9 Kringlers Roskva** won at this track in December but his form is a bit hard to predict now. Could surprise.

**4 Kvåles Tobin** earned the most money last year and has been quite consistent this year without scoring a place. Meets easy opposition and gets our pick. **1 Royal Act** is also quite good for this company and will certainly get a nice trip from this excellent lane. **2 Corazon** has not won for a long time but she has a nice lane and was close to a second place in the last race. **10 Eight Mile** took five wins last season. Finished quickly to third place in February. Hoping for high pace from here.
