6 Perfect Chest disappointed in the seasonal debut but should be improved considerably. The Kriteriet runner-up and Breeders' Crown winner races without shoes and is working well. Highest chance of winning, regardless of the trip. **2 Olle Sting** gave up from the front in the last race, but the effort was still acceptable. He competes barefoot for the first time and should be considered from the front or pocket. **1 Mellby Narrow** sprinted fast in the last race and is well drawn. **11 Gangster Vendil** is tough and good for this company.

Early contender. **5 Chestnut** has great strength and can do it tough. **8 Epsom As** has better form than results show but needs some luck from here.

Will set a new record - warning. **6 Conrads Jane** makes a very interesting debut for a new trainer and should be followed immediately.
