7 Tangen Haap is in great shape after the summer break. Scored a splendid victory in Boden and looked even better in the last run but got locked in behind Odd Herakles. This distance is the right one. Hard to beat. 9 Smedheim Solan is really good every now and then and can match the best cold blood horses. Tricky number but finished fast to second in the last race. 5 Bellfaks was second and really brave in the last race after an early attack and a run outside of the leader. 1 Valle Mattis is a fast short distance runner who won in the lead in a 1.20-time in May.

4 Sweet Cash S.W. does not always trot well but has the right attitude and in the last race she beat quite good horses in the lead. Likes this distance and will probably get an offensive journey. 6 Beauty Super Nova is consistent and good and will certainly get a journey in the front with this number. Was just closely defeated over this distance in the last race. 13 Ninepoints Lucky faces easier opponents here and comes from a good third spot against tough horses. 12 Gloria Victis won after a tough fight in the last race. Tighter starts now and worth a warning.

5 Cool Kronos made it to the long E3-final and was also a two-year-old with good skills last season. Has not been at his best yet but faces easier horses now and this task is really nice. 1 Bowling de Luxe scored a couple of nice wins earlier this spring but failed in the last race after a pause and illness. Nice type. 4 That's So Clever had energy left at the end after an inside defensive trip in the last race. Showed good form and these tight starts are an advantage. 2 Kash Keeper has fought better lately and is on the way up. Should not be overlooked here.

9 Hulte Annika has scored a couple of wins this summer and scored a strong third spot in the last race after a tough journey. Magnus A Djuse again and our pick. **12 Tangen Tore** has been successful this year and finished at least second in eight out of 14 starts. Poor number but is strong and can do it tough. **11 Färsta Vilma** is fast but tricky. This starting method is no handicap and is driven by Ulf Ohlsson this time. **10 Tekno Lynet** has looked nice for the new trainer but not won yet. This short distance is an advantage.

6 Glamorous Rain is very talented and she has scored a couple of impressive wins. She has shown that she can do it tough too. Has been ill though and recharged the batteries but faces nice conditions here. Top chance to win. **2 Global Countess** has been a bit unlucky and she has had energy left lately. She looks really nice and could challenge the favorite. **7 Ninepoints Candy** has been consistent and good and won in the lead two starts back. Outsider. **3 Wilda Knight** had energy left in the last race and is in good shape. Possible here.

3 Final Whistle has been at least third in nine out of ten starts this year and scored five impressive wins. He is strong and won in the lead over three laps in July. Our pick. 11 OnTrack He's Black has not been successful lately but looks nice. He was interfered in the last race. This long distance suits him well. 7 Willmer Gel owns good strength and the latest victory came over the long distance too. Has two runs under his belt after the summer break and is on the way up. 1 Xanthis Daiquiri could take advantage of this number one.
