4 Rosalina won her debut with three easy lengths over today's conditions. Top chance in these Scandinavian Championships for two-year-old horses. 8 Amason never had a real chance in the debut behind Rosalina. Seems to be in the pick of the Neuroth stable out of two horses though. In the mix. 5 Schamyl was the favorite in the debut but never had a chance. Will be ridden with blinkers here. Place chance. 1 Conquest makes his debut and the chances are not easy to predict. Outsider.

3 Hotline Bling won Challenge Stakes and scored a nice second spot behind Kick On after that in Open Mile. Our winner. 2 Irish Action showed great form in the last race winning Zawawi Sprint Cup after a tight finish. Challenger with a similar effort. 4 City Code was third behind Irish Action in the last race on Klampenborg and just closely defeated. Won the race before in Zawawi Cup. 6 Let's Go Crazy has become one of the best sprinters as a four-year-old and will be ridden with flexible blinkers this time.

4 Khatun was second and just closely defeated over these conditions despite a lost shoe. Flexible blinkers today and she should have a good chance. 11 Caio Shark has been improved with flexible blinkers lately. Faces tougher weight towards Khatun though since their latest meeting. 8 Princeton Graduate meets tougher opponents today but faces better weight conditions. Early contender if at his best. 5 Entangle Rose is very well bred and comes from an outstanding maiden win in Gothenburg. Should not be overlooked.

1 **Mystery Night** was a big favorite in the last race on the Jägersro dirt and lived up to that. Was second before that in Bloomers' Vase. Our pick. 6 **Iron Butterfly** is in good shape and she won this Lanwades Stud Stakes last year. Main challenger. 2 **Ascot Brass** scored a strong win in Bloomers' Vase but was only third in the race after in Fawzia Stakes. 3 **Titannia** comes from a comfortable victory in Fawzia Stakes. Failed on Övrevoll last year though.

1 **Heart of Kabeir** parked outside of leading Tootick in the last race and won with five easy lengths on the home stretch. Our pick. 10 **Close To Perfect** faces tougher weight against easier opponents this time and that could be a successful recipe. 14 **Chadwick** was clearly beaten in the Hurricane race. Better task today and flexible blinkers for the first time. Contender. 15 **Geoffrey** still has not won this year but uses to meet tougher opponents than these as well. One out of many contenders in this open handicap race.

10 Kick On showed good form in the last race winning the Open Mile on Bro Park. The import won this Marit Sveaas in 2020. Top chance. 7 Hard One To Please gave up at the end on Goodwood and never had a real chance due to slow pace in the seasonal debut. Normally a challenger. 4 Good Fortune scored a nice victory in Dubai this winter and has put in a couple of strong performance after that in Scandinavia. Possible. 3 Admiral De Vega scored a very convincing victory in Stockholms Stora Pris but was not as good in Open Mile in the race after.
