3 In Love d'Ecajeul has done well in three starts without a mistake for Daniel Wäjersten and scored two wins and a third spot. On the latter occasion he set a new record. 4 Liberty Boko scored a good second spot behind Lulius Boko in Örebro in July and is good enough to fight for victory. 11 Epicure finished well to second in the last run. He faces only older horses and has got a number in the second line. Could be in the mix with the right journey though. 1 Solkattens Lucas has good gate speed and won in the lead two starts back.

1 Senorita Tokio started with four straight wins as a three-year-old and won an Oaks elimination heat. She has started three times this season and showed good form in the last run. Hard to beat. 9 Impala Am won a V75-race for fillies and mares on Umåker in May and has put in several nice performances this summer. She will be in the mix with the right journey. 4 Jump in galloped in the last Derbystoet but scored three straight wins in August and has good strength. 8 Kashmir River is very good when she trots well and avoids a mistake.

1 Lilian Young has been very consistent lately and the last five starts the difference has only been one tenth of a second between the slowest and the fastest race. She faces nice conditions money-wise here and is our pick. 4 Dorothea Mil has scored four good wins and normally she is an early contender here. 8 Jurista has scored all four wins over the middle distance. She has won from all positions and should not be overlooked. 7 Jennifer Sisu can open fast and could reach a nice position despite this number.

10 Stormyrans Erkki won half of his starts last year and has developed well this season. He comes from a nice victory and is our pick. 9 Zargo won in the lead two starts back and showed good form in the last run. He finished well then but faced a tricky number and handicap and could not threaten leading winner Ari Potter. 11 Bekke Stjernen has earlier put in a couple of good performances in Sweden and should be considered early without a mistake. 1 Guli Em will be driven by Örjan Kihlström and should not be overlooked.

3 Night Art put in two very good performances when he won in the lead in Rättvik and on Solvalla this summer. He faces nice conditions money-wise here. Meets only horses who have earned less than him and is well drawn. 1 Drake Kronos finished well to third in the last run after a trip from the back. He is good in the lead too and in that position he should be considered early. 5 Hustle Rain won four races in a row this summer and is possible too here. 2 Erik the Phantom has earlier scored two wins and a second spot for Erik Adielsson.

9 Idomenio Sisu has scored all three wins this year together with Ulf Ohlsson. Scored a very good third spot in Sprintermästaren behind Francesco Zet and Iznogoud Am. 5 Devils Tongue was good last season as a three-year-old and has developed even more this year. He can open fast and will be dangerous in the lead. 4 Atomic Face was unplaced but got locked in with energy left in Örebro in July. Was sixth in a Derby elimination heat to the Derby on Jägersro and was not empty either then. 3 Daven Port did not find room in the last run and got locked in with energy left.
