4 Generalen has not started since the end of June and may of course need a run under his belt. However, Flemming Jensen usually has his horses well prepared and this is a capable horse for this class. Likes the distance and has to be considered. **8 Henrik Cloc** has a poor lane but is consistent and good. Early choice. **7 Moses Di Quattro** has shown good form for a long time. Possible but needs some luck. **1 Jomo Cash** is a bit up and down but could be a contender if he lives up to his capacity.

1 Justgivemeareason comes with four straight wins. Has the best capacity, but does not open very fast and could get a tricky start. **8 Ingmar Banker** was good in a nice time behind a really strong Katmai last time. Terrible lane, but still the main challenger. **9 Summerparty** was really nice in the last race and is an early choice in case of over-pace. **5 Ib** has a run under his belt after a long layoff. Should be considered early without a mistake.

4 Garrido got a tough journey in the last race and finished unplaced as locked in. He can use that energy this time and should be in the fight. **3 Inter** won a better amateur race last time and was strong from the lead. Birger Jørgensen this time is of course an advantage and if he reaches the front he could be hard to beat. **10 Haps** is not reliable at all, but has great capacity. Possible without a mistake. **7 Julien Sensei** is matched against tough opponents. Contender but needs some racing luck.

1 Kingston couldn't quite follow at the end from third inside in the last Danish Derby. Can do better than what he showed that time and here the opposition is easier. Should have top chance to find the lead and once there there he is the horse to beat. **7 Koogoo Gaagaa** finished ahead of Kingston in the last race despite a worse lane. Will get a tougher trip than our pick. **9 Kohkahcumest** is up and down but has a good top level. **3 Nikita's Buck** can win but needs some racing luck.

2 Hustle Rain is normally a top horse, but hasn't lived up to that this year. Makes his first start for Flemming Jensen here and is down a bit in class. From a perfect starting position he should have a good chance, although his form is a bit hard to predict. **3 Jigger** was a real young star for Steen Juul. He is on the way up again now and should not be discounted. **4 Frodo Cash** has been consistent and good. **1 Eddie The Eagle** will certainly reach a good position from a perfect draw.

2 Karat C.N. galloped in a Derby heat won by Kreadlys Lew. Won the consolation and looked really nice. Fights for victory from a perfect draw. **4 Forest Jet** is Italian-bred and was never a contender for the Danish Derby. Maybe best over the short distance, but is still interesting here. **6 Kungfufighting** was strong as third in the Derby. Challenger. **1 Kazio** has a perfect lane for a defensive trip.
