7 Mellby Indigo likes this distance and scored a strong second spot from outside the leader in the last run. Has eleven wins in 17 starts and should have a good chance here too. 4 Jerka Sting finished well to third in the Swedish Championships for amateur drivers in the last run. The horse is in good form and has got a nice number behind the gate. 1 Albacete is tricky but better than the latest results show. Possible if the favorites would fail. 5 Zidane D.E. is a bit up and down but has good speed for this class when he is at his best.

6 Grisle Odin G.L. faces nice conditions here. He belongs to the cold blood elite and last weekend he scored a clear victory. Found the lead after 500 meter and won comfortably. 4 Wolt is consistent and good. Comes from a win in the V75 and uses to keep up the pace well. 2 Balder Odin finished well in the last run on Bjerke when he found room. Is driven by Örjan Kihlström now. In the mix. 5 Soldhöjdens Drake has good skills but the form is a question mark. Outsider.

1 Eddy West won the last run after a quick finish and is consistent and good. Needs some racing luck with this number one but has a good chance then. 3 Dark Roadster comes from victory and likes the short distance. Has not started with this method since November last year but this number is good. 8 Speedy Tilly has won both races in the lead this year. Faces easier opponents here than last weekend when he was very unlucky. 6 Hazard Boko started in the Golden Division in the V75 in the last run. Has place chance here with the right journey.

8 Stjärnblomster faces a 60 meter handicap here but she is a lot speedier than her opponents here and should have a good chance to win this anyway. Banker. 9 Åsrud Vilja is fast but the form is a question mark after a layoff. Will normally be in the mix here. 6 Lome Perla was defeated in the lead in the last run and can do better than that. Could fight for a place here if she is at her best. 4 Skeie Lotta is a bit up and down but really good when she is at her best. Place chance in that case.

5 Bentley Gar has put in a couple of strong performances and won six out of seven starts this year. Is a slow starter but can do it tough and won with energy left in the last run. 4 Global Collection won an elimination heat to Stochampionatet this summer and came in fifth in the final. Looked nice in the last run and is the main challenger here. 10 les Juvel has not won yet this year but is in good shape and she could get quite a nice journey from the back here. Will defeat many opponents in that case. 3 Invidia parked outside of the leader with 1000 meter to go in the last run. Has good strength.

4 Langlands Gnisten is our pick in this open cold-blood race over three laps. He was quite brave from outside the leader in the last run and stands this long distance. 3 Förlands Pet scored the first win of the year in the last run after a nice journey. Kihlström this time is interesting. Nice number. 13 Ksar found room late on Bergsåker and was not empty at the end. He is on the way up and has a couple of runs under his belt and should be followed. 9 Haugestad Duft is not reliable but has good speed when he lives up to his capacity.
