4 Bozeman has won 14 of 32 starts, which is of course a fantastic result. Uses to put in good efforts most of the time. Nice task here and from a perfect draw he is an early contender. **10 G.K.Talisman** scored a good win in the last race and has high capacity, but he is not completely reliable. **2 Bangles** is well drawn and will be driven by Höitomt. **7 Googooman** could be a place bet.

11 Storm Jokern has impressed so far and is continuing to develop. Eight wins in twelve starts is impressive and a without a mistake he should have top chance together with trainer and driver Veronika Bugge. **12 Skjegge Rosa** has good capacity, but is not reliable. If the nine-year-old mare avoids a mistake, she is an early choice. **8 Alm Rappa** won despite galloping in the last race. Poor lane, but has to be considered. **3 Hansine S.** is interesting too together with Eirik Höitomt.

2 Tom The Brady comes with three wins in a row and is really good for this class. Will probably take the lead after a while. Top chance. **1 Nappa Hall** is consistent and good and scored a good win in the last race. Certainly gets a nice trip from here. **3 Kaiser Pagadi** is not reliable and gallops a lot. If he avoids a mistake, he will probably be in the mix. **9 Harpos New Yorker** beat easier opponents in the last race. Tougher now and tricky lane. Place chance.
