6 Mellby Maleficent is a strong filly who is making her first start of the year. Interesting debut over the short distance and if she is even close to her top form she should have a good chance of winning. **11 Banko La Luna** put in a couple of good performances last year and should not be discounted despite this tricky lane. **9 Sun's Nougat** is a quick starter but this starting position is a big disadvantage. In the mix with the right trip. **8 Pannacotta Doc** runs without back shoes now which is exciting.

4 Tyson Renegade has high capacity but he doesn't always live up to his capacity. He has got a break and recharged the batteries. Uses to do well after pause and is an early choice. **7 Flotilla** galloped in the final turn last time. Is normally reliable and one of the better horse in this race. **1 Fashionable Dance** gave up in the seasonal debut. Certainly better with that run under his belt. **11 Wings Level** is consistent but doesn't win very often.

4 Croizet looked good in the last race third up which was his first start since October. He has probably improved a bit by that race and should have the best chance to win this race. **1 Oriole Boko** showed 14.9/1900 after an early gallop in the last race. Should be considered but needs to find an opening in time. **6 Spirit W.J.** has shown good form lately and will soon score a victory. **10 Cindy Bris** finished with energy left in the last race. In the mix with the right journey.
