6 Hashtag Simoni uses to be successful in races like this. Nice number and good chance to find the lead. If he is at his best he will not be easy to defeat. **5 Always A Pleasure** is good for this class and has fine speed. Maybe not in top form just now but is the main challenger anyway. **7 Bear Hope** is still going strong. Is fast and with the right trip he will pass many opponents here. **1 Zelma Laday** is certainly tougher now after a couple of races in the V75 starters lately.

Five-year-old **10 Remlov** has started promisingly and won seven out of ten starts. He is reliable and opens quickly in the circular start, so Kristian Lindberg should reach a nice position right away. With that run under his belt, the horse should be improved and be ready for victory again. **5 Lyseng Oskar** is consistent and is good for this class. **9 Kringlers Roskva** kept up the pace well a bit behind the winner and showed a good time over a slightly longer distance last time. **2 Hvalstad Ty** took the first win of his career last time and faces nice conditions here.

3 Pontiac is the favorite to reach the front here and is our pick. He has tested the distance once and got locked in with energy left in the V75 then. The six-year-old gelding showed the right attitude in Norway in February when he countered to victory and we believe the form is similar now. **2 Iconic** has a lot of capacity, but unfortunately the horse doesn't always trot well. **5 Max Orlando** uses to put in good efforts immediately after a layoff. **6 Hyannis Port** comes from two strong efforts and is in top form.

3 Koriander Sisu won the seasonal debut convincingly. Now barefoot for the first time, which is clearly interesting, and should the four-year-old find the lead, he has a very good chance to win this. **4 J'aime Pepper** won convincingly in the seasonal debut but has galloped twice since then. Has good capacity for this class and from this nice number behind the gate, he will certainly get a good journey. **2 Global Discovery** is exciting without shoes for the first time. **10 Funny Money** is gifted, but probably needs this race.

8 Daim Brodda won easily in the seasonal debut and is still undefeated. Overall, she stands out against the others and should be seen with a good chance of taking the fourth straight victory. **10 Octopussy** had everything under control in the last run, but did not trot well and would otherwise probably have won that race. Could take revenge directly here. **1 Indiana Downs** did well as second in the seasonal debut and should be improved with a run under his belt. **6 Thell It Again** gets Björn Goop in the sulky for the first time - interesting.

8 Ask Viktor put in a strong effort when he got a tough journey during most of the last race. Cato Antonsen has a strong horse and will probably give him an offensive journey. **15 Arding** has won half of his career's 24 starts and sprinted fast last time but was got never room completely and got locked in on the back of winning Il Salvador who is one of the better horses of his year. **9 Jerk Spik** has good capacity when he lives up to his capacity. **7 Kolli Yx Odin** is very gifted every now and then and is driven by Goop again.

4 Frodo De Castella got locked in with a lot of energy behind the leader last time. The form is top notch and he is fast. Markus B Svedberg will hardly travel to Årjäng without a chance and here we believe that he will go all in from the start and from the lead this is the horse to beat. **10 Cash Coming Up** has impressed and scored many victories and, despite this number the horse should be seen as the main contender. **3 Jackie Jaam** faces nice conditions and is undefeated from the lead after four attempts. **1 Green And Black** is up and down, but will certainly get a nice trip here.
