1 Huseby Sirius is ideally drawn here and has scored two straight wins. Finished very fast in the last race to a very close victory. Quick starter. Top chance. 5 Rive Sjur is a tough challenger but this number is tricky in the circular start. Found the lead in the last race and increased the pace but got defeated at the end. Did well anyway though and finished 26/1000. 3 Hauan Balder was brave two starts back but did not convince in the last race after an inside trip. Can open fast and is possible if our top duo would fail. 6 Melvinna has one race under her belt after illness. Did alright behind the winner despite a mistake underway.
