C:

7 Royal Biscuit was heavily backed in the debut and lived up to the high expectations and was outstanding in the front. Our pick with a similar effort. 2 Beckham convinced in the seasonal debut and scored the first win ever after a strong finish. Should stand this longer distance. Main challenger. 5 Laughingof Fear won the seasonal debut with six outstanding lengths. Will probably become a top stayer and blinkers this time. 6 Bugatti BF was clearly defeated by Ayani in the seasonal debut who then won Voter race. Possible here.

RANK

A: 6

B: 1-4-2-7-3-5

C:

6 No Short Cuts should be improved by the last seasonal debut and this longer distance is a big advantage. Top chance. 1 Plantstepsdream is a good miler but this longer distance and top weight conditions are very tough. 4 Askungen could never reach Repeat Offender in the seasonal debut. Scored a nice second spot though and will be in the mix here. 2 American Impact is very well bred but still has a lot to prove. Nice weight though and interesting here.

C:

6 Amon Ra comes from a very strong effort and was second to Irish Action in Jägersro Sprint just closely defeated. Our pick. 1 Zamson Zaid cannot take advantage of this number one but this small field is an advantage. Main challenger with the right journey over the final stretch. 3 Mountain won three times last year on his home track and should be on the way up now. 2 Rangoon comes from victory over these conditions and is ridden with blinkers again here. Possible despite tougher opponents.

RANK

A: 1

B: 5-2-3-4-6-8-9-7

C:

1 Thatsthefinest is in good sprint form now and likes the Jägersro dirt a lot. Oliver Wilson here and our pick. 5 Mysterious Mind has convinced a lot this year and scored two wins over these conditions on this track. Possible despite tougher weight. 2 Zimbabwe finished strongly in the last run despite a tough number. Better draw today and ridden by Valmir De Azeredo. 3 Deadline Day did alright in the last race and came in third after an offensive outside ride. Possible outsider.
