6 Charmant de Zack won the Italian Derby as a three-year-old. Put in a strong final lap from far back in the last run. Our pick. 3 Ikaros Sisu makes his debut for Timo Nurmos and could put in a great effort directly. The horse got locked in with energy left in a Breeders Crown-semifinal two starts back. 7 Power Doc won very easily in the last run. Would have preferred a longer distance but should be considered early. 1 Indy Rock fought well in the lead on Vincennes on January 22nd. Resumes from a spell and has to be considered.

2 Jikken comes from a start in the final of Kungapokalen. Won five out of eleven races last year and if he handles this number two in the circular start he should have a good chance. 5 Ruger is on the way up but this number five in the circular start is tricky. He had that number in a V75-race on Romme last autumn and galloped then. 8 Gordini Brick would get a defensive journey in the last seasonal debut. Early mistake that time but driven by Ohlsson again here. 1 Fade to Black Ås gave up from outside the leader in the last run. Interesting number now. Contender.

7 Faeza Zet found the lead after 500 meter in the last run and won easily finishing 09.5/800. Nice mare and good chance despite this number. 4 Celiáz is the main challenger. She has put in two strong efforts in Sweden and is better drawn than our pick. Interesting duel. 6 Ivanka Amok finished fast in the last seasonal debut after a mistake underway. She could be ready for victory but needs some racing luck. 1 Isabelle Cash got a tough journey in the last V75 race and was brave. She should get a nice journey with this number.

Top chance here despite this number eight. 3 O'Mara Zon can open fast and is well drawn here. She should be followed. 1 Eireann comes from an easy victory and did well. Will find it hard to reach the front here. Outsider.

Challenger with the right journey. 6 Valmar E.W. will soon score the first victory. Comes from a strong second spot in the V75 and should be considered here. 8 Cayenne S.L.M. has good speed but needs some racing luck with this number eight behind the gate.

5 Imperatur Am comes from a very strong third spot in Harper Hanovers race. He will probably get an offensive journey again here and is our pick. 4 Cronos Degli Dei galloped suddenly with one lap to go on Charlottenlund. Wins often and has 13 victories in 29 starts. 1 Lozano di Quattro has got different training lately and seems on the way up. Can open fast with this number one and should not be overlooked. 12 Run N'Cola will defeat many opponents here in case of quick pace. Comes from a strong second spot.

11 Ultra Violet is our pick in this open race for fillies and mares over the long distance. Parked outside of the leader with one lap to go in the last run and was simply the best. Tricky number four here in the circular start. 13 Precious Thing did alright in the last run against tough horses. Stands this distance and is an early choice for us. 9 Mirci A'lr got a tough start in the last run after a layoff. Was brave and should be considered early now. 3 Safira Diablo has not started since December. Debut over the long distance here. Outsider.
