5 Vilje Odin has started really well with two wins in three starts. He won very easily in the last race and should have a good chance again. **1 Rano Elden** won in the last race but has not competed since February. Good lane and early choice behind our banker. **4 Åsmin** has only one win in 17 starts but is possible behind our favorite. Finished third in the last race after an inside trip. **7 Kabru Lyn Ett** is still waiting for the first win. Quite consistent and could be a place bet.

6 Gigant Tider earned over a million SEK last year and has started well this season too. Won a big race last time and should have a good chance straight after a short layoff. **5 Vill Solen** is the main challenger. He is coming off a second place in a ridden race and seems in good form. **4 Hr. Hefner** has some potential but his form is a bit of a question mark. He was third as a mega favorite last time and is looking for revenge. Early choice behind the favorite. **1 G. Soten** defeated Hr. Hefner last time and can do so again from this nice draw.

Good chance. **4 Thewinnertakeitall** faces very nice conditions money-wise here. Wins quite often and has been consistent towards the end. **1 Ayonaco** was third from the pocket in the last race and could get a similar run here. Place bet. **3 Rönnerdahl** has started the season well. Is quite consistent and was close to a second spot in the last race. He is also a contender for a place bet here.

5 Börtveit Rambo won nine out of 19 races last year but is still without victory this year. Finished quickly to a second place in the last race and looks in fine form. Good chance in this company. **6 Mykle Fanden** wins quite often and has been consistent and good at the end. One of many contenders behind our pick. **3 Hassel Hera** didn't convince in the last race but if he is as good as in the previous races he can definitely be in the fight for victory. **8 Mi Bella** is one of the best horses in this race but she has a terrible lane and needs some luck from here.

2 Aniara C.D. is our pick in this wide open and quite weak race. Won two out of six races last year and has been quite unlucky this season. Good lane. **1 Sun's Adele** has shown good form lately and should get a nice trip from this lane. One of many contenders in a tricky race. **5 Beauty** got locked in with energy left in the last race and has been consistent and good at the end without winning. Deserves a win. **8 Juventus D.K.** has only one win in 44 starts but finished quickly to a second spot in the last race. Is poorly drawn but hopes for quick pace and could surprise.
