9 Oppgårdsdrängen was not as good as expected in the last run but put in a great effort in the race before. Is still waiting for the first win of the year and could score it here. **3 Dellenit** did not find room at the end in the last run and put in a great performance in the same race as our pick. He is well drawn here. **5 Kavaleren** was too fiery from outside the leader in the last run and did not finish. Is better than the latest results show. **8 Brenne Banker** did not convince in the last race after a layoff. Can do a lot better.

9 Muscadelle looked nice when she won both races in May. Has been a non-starter for fever after the last run but is our pick anyway here. 5 Quarcia Bo makes his debut here for Oscar Berglund. The three-year-old mare has two wins in a row and has shown 17/2000 meter in the training before this start. Early contender directly. 4 Runway Threshold has been consistent and good so far without winning. Could fight for a place here with this nice number. 2 Sodasquare won on June 12th finishing 14/1000. Should not be overlooked.

10 My Memphis comes from victory. Beat quite easy opponents but put in a strong effort from outside the leader. Our pick in this open race. 2 Holy Mole kept up the pace alright in the last run after a quick finish. He has not won yet but is an early choice here. 7 My Boy was a non-starter before the last race which he needed. Is better than he has shown lately and faces quite easy opponents here. 9 Ilie de Touchyvon has not competed since May 2022. Has good speed and is possible directly. The chances are not easy to predict.

1 Farmens Riska has two straight wins in the lead and could reach the front again. Had got a longer pause before the last run and should be even better now. 12 Åkmans Bella did well from outside the leader. Faces a double handicap here but with the right journey she is the main challenger. 10 Hulte Alva was defeated after a photo finish in the last run despite a short mistake underway. Is in good form and will be in the mix if she finds room in time. 11 Bork Linda has shown good skills lately. She has place chance here as well.

12 Jano di Quattro is our pick here. Did not trot perfectly at the end in the last race but he has one run under his belt now and this long distance should suit him well. 10 Ruger was unlucky at the end in the last run and was not empty. He has good capacity and should be considered early. 11 Ploquepin comes from a heat and final the same day. Looked nice after a good journey in the final and has to be followed. 4 Kalle Taxam has not convinced lately but could be an outsider here.

11 Isas Dream Boy has four wins in a row, all of them score in the lead or from outside the leader. Has to attack from behind now but is in good form and our pick here. 3 Spitfire P.C. resumes from a spell. He has won four out of twelve starts so far and should be considered early directly. 6 Patriot Ale is better than the latest results show. He got locked in with plenty of energy left two starts back and should not be overlooked. 2 Funcio has a couple of runs under his belt now and comes from a comfortable victory. Has to be followed in this company.
