5 Zigge R.P. has done well in two races after a break and will face easier opposition this time. Good lane and good chance. **7 Whirlwindz** challenges. Won three races and earned the most money last year. Comes from a second place but has been a scratch due to fever since then. **4 Gavin Rich** is driven by his regular driver and that is a clear advantage. He can also open fast and is our favorite for the lead. **6 O.P.'s Fearless** has only one win in 37 starts. Hasn't won in a long time but has been pretty consistent. Early choice in this field.

5 Sharp Object has a nice task here. He is fast from the start and will certainly take the lead. He will meet very modest opposition and is the horse to beat. **9 Speedy Star Vicane** won two races last year and earned the most money. Driven by his regular driver Jakob Smith and that is an advantage. **4 Beach Caviar AF** hasn't won in a long time. Did quite well this spring. Should not be discounted if avoiding a mistake. **11 Kantens Cash** is certainly one of the better horses in the race but his form is a question mark. Regular driver is a plus.

10 O.M.Hazebrouck has clearly earned the most money this year and was probably on his way to victory last time when he galloped on the home stretch. Revenge! **7 Endwithastar** has not won for a long time but has a nice task here. Is fast from the start and Jan Silvén will probably go for the front. **1 Fiber Shot** can open fast and will probably get a good trip from here. Comes from a third spot. **11 Sierra S.** is a bit hard to predict after many starts in Germany. She has earlier done quite well in Sweden.

10 Kong Amok is our idea in this weak race. Has done quite well in Norway lately and is driven this time by Niclas Benzon. **3 Xanthis Himalaya** earned the most money last year and is well drawn here. However, has been a scratch after the last race. **11 Loke Lovebite** hasn't won in a while but is not that bad for this company. Jan Silvén is the horse's regular driver. **6 Valrhona Face** is not a superstar but in this field he can still do well. However, he has not raced since November.
