**1 Galaxy Love D.E.** is capable, but has galloped in the last two starts. Carl Johan Jepson is interesting. If she avoids a mistake she is probably the winner of the race. **3 Andinge Zon** prefers to run in front. Should the four-year-old mare compete at her highest level, she has to be considered. **2 Lovely Wiclet** took the first win of his career two starts back after showing top form. Easy opposition then. **8 Global Empress** has not started for a while and her form is hard to predict.

**7 I.D.Hellofagirl** has not convinced this year and galloped in the last three starts. Has done alright without impressing in Germany, but after a change of trainer before this year's start the horse has improved. **4 Tahays Blue Mondo** was in tough company last time. **2 Corsa Astrea** owns quite good speed.

Has shown great skills and is possible here. **5 Caribbean Lemon** has been clearly improved in the last few starts. The two wins have come in the lead. Has to be considered.

**5 Kronprinsen** has very high capacity. He returned after a long layoff last time and made his debut for this trainer, but galloped then. Nice lane. Normally good chance of winning. **12 Jar Jar Binks** took two nice wins in May. Galloped last time and has a poor lane now. Good enough to be in the mix. **1 Prince Of Darkness** is up and down, but is not bad at all when competing at his highest level.
