## RANK

**7 Diablo** has won seven of 17 races and is probably the best horse. Comes from a second place and competed in V75 before that. Probably gets an offensive journey here. **4 Mellby Merry** is a stable companion to our pick and is driven by her trainer Daniel Wäjersten. She is not entirely reliable but will challenge if she avoids a mistake this time. **3 Sonesta** can open quickly and could take the lead here. Is an early choice in that case. Driven by Marcus Lilius this time. **10 Västerbo Adventure** is quite consistent and good and hopes for quick pace from here. Henrik Kihle is driving now.

**7 Lill Svarten** gets the tip in this mediocre coldblood race. He is quite consistent and good and driven by top driver Mats E Djuse. **8 Monster Loke** is perhaps the best horse. He has two wins in seven starts but was a pale favorite in the last race. Poor draw. **9 Guli Rasmus** has also won two races out of seven. Galloped twice in his last comeback race after a long layoff. Björn Karlsson's horse is an early choice. **4 Langlands Eowyn** comes from Norway and was third in her only Swedish start, at Östersund in June.

## RANK

**2 Young Yack** has a perfect task here. Is fast from the start and will certainly take the lead. Got locked in with a lot of energy left in the last V75 race. Good chance to lead this throughout. **7 Neymar Boko** has had a very good season with several brilliant results in the V75. He has got a run under his belt and likes this long distance. **8 Crowe Motion** is a stable companion to our pick. Took a surprising win in a V75 final during the Elitlopp weekend. Very difficult number here. **3 Kalle Taxam** faces perfect conditions money-wise and is clearly better than the latest results show. He has a good draw and could be an outsider.

**10 Explorer Grue** has started well and took two nice wins in June and July. Was second despite galloping last time and has good speed for this company. Our idea together with Hans Bergh. **3 Mellby Nemo** is trained and driven by Daniel Wäjersten. He is not entirely reliable but has a good lane and could take the lead. **11 Gordon Kronos** belongs to the same stable and is driven by Mats E Djuse. Coming from a second place on today's track and hoping for quick pace from here. **5 Jaguar Ima** has taken two wins in four starts but should not be overrated. Mostly a place bet for us.
