RACE 1

GET RACEDAY READY RESTRICTED MAIDEN STAKES (5) 2yo
£6,800 1m1y (1610 Metres)

Going: **Standard**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

Draw: **N/A** Pace Information: **Very Weak**
