5 Fly By C.A. is a really nice import who put some really strong performances as a 3-year-old in his home country. In his last debut for Roger Nilsson he galloped from the start. Nice task and without a mistake he should have a good chance. **7 King Of Djazz** is consistent and good for this company. Got a run under his belt last time and should be improved. **8 Weekend Fun** needs some racing luck from here, but has been matched against tough opponents. **10 Idomenio Sisu** has met the elite at the end - easier now.

8 Raven was really strong behind Flight Sequence two starts back and in the last race he had to open very fast to reach the front. Will get a tough start here too, but over the short distance he should have a very good chance anyway. **3 Helan** is a quick starter and much better than the latest results show. Likes these conditions. **4 Beyonce Broline** is in pretty good form and this driver is really gifted. **9 Francis Coccola** is in a good shape too and starts behind Helan who opens quickly. Possible in case of over-pace!
