**C1 - PRIX DE LA MULATIERE - 2000m (a1 1/4m) - TURF - Claiming - Class  
4 - Flat - EUR € 16.000**

**1. MOONFLIGHT** - He has won twice over slightly further and now drops in trip but he could still find himself being competitive. Can get involved in proceedings

**2. RIDWAAN** - Bounced back to winning ways last time out over 1800m and could easily confirm it in this. Big runner

**3. FOLLOW YOU** - He has his first run on the flat and needs to be watched carefully in the market as any support would be positive. One for the shortlist

**4. WILLYWHAT** - He finished last of seven on debut and would need to show massive improvement to get involved. Would be a shock winner

**5. KABIR** - Finished 3rd last time out behind the reopposing Ridwaan and could get a lot closer now upped in trip. Place chance

**6. HEYTESBURY LANE** - She finished 10th over 1600m last time out and hasn't been in the best form off late so it's easy to look elsewhere. Improvement needed

**7. PERDRIOLLE** - She ran 5th last time out showing signs that she could be back in form and she is one that could outrun her odds. Place chance

**8. MISS BELIEVE** - Well performed individual that is in decent form barring her last run and she should enjoy the step up in trip. Should run well

**Summary** : RIDWAAN (2) did everything right last time out and can be followed with confidence once again now meeting slightly weaker. MISS BELIEVE (8) has the form to see her run well and she demands healthy respect with a good galloping weight. MOONFLIGHT (1) will be staying on nicely at the finish and could sneak into a place. KABIR (5) is held on his last effort but is a likely placegetter here.

15.000**

**1. FAVORY CHOP** - He won his maiden two starts back and followed that up with a very pleasing 3rd place finish over 1400m. Will run well

**2. KALEOCREEK** - He was not seen to best effect last time out when beaten into 9th position but should bounce back to his previous form which will see him go close. Big runner

**3. PRINCESSE SAPHIR** - She finished 4th in her first attempt over a longer trip last time out and now dropping in trip, she should still run a nice race. Each way credentials

**4. SKADOOSH** - He finished 4th last time out over 2000m but drops in trip which doesn't seem likely to suit. Others make more appeal

**5. HOCKA HEY** - Ran no type of race on debut finishing 11th of twelve and will need to show significant improvement to challenge. Hard to fancy

**Summary :** KALEOCREEK (2) should be forgiven for his last start and is capable of showing a better side of himself in a contest that lacks depth. PRINCESSE SAPHIR (3) put in a solid effort over further and should make her presence felt over a trip that she should be comfortable over. FAVORY CHOP (1) arrives here in good form and should run another forward race. HOCKA HEY (5) will need to make improvement.

## SELECTIONS

**KALEOCREEK (2) - PRINCESSE SAPHIR (3) - FAVORY CHOP (1) - HOCKA HEY (5)**

**1. ARIGATO** - He ran 4th in a Listed race last time out over 1650m and was far from disgraced so needs to be respected. Each way chance

**2. TEN HORNS** - Promising sort that put his opposition to the sword at his recent outing and despite dropping in trip should run well. Big runner

**3. NE ME QUITTE PAS** - He has won twice from his last three starts and should have more to offer but now steps up in Class. Place chance

**4. EMPLOY** - She has run in Listed races in her last two starts finishing 7th and 4th respectively. Meets similar company and could go well. Include in all bets

**5. TIFFANYLI** - Finished 3rd well beaten behind Ten Horns last time out and could struggle to reverse the form. Others preferred

**6. FAKARAVA** - She ran out a comfortable winner of her maiden last time out and there looks to be more to come from this filly who is open to any amount of improvement. Should go well

**Summary :** FAKARAVA (6) only won her maiden last time out but there was lots to like about the manner in which she won and she could be one to follow. TEN HORNS (2) is on the up and could well account for this field. ARIGATO (1) has been tested at this level before so should have a say in proceedings. EMPLOY (4) also has experience at this level and will run an honest type of race.

## C4 - PRIX TOP WAY - 1600m (a1m) - TURF - Condition Race - Maiden - Flat - EUR € 17.000

**1. NOSHOWNFRIDAY** - He returns to maiden company after a run in handicaps last time out and could put his best foot forward but isn't the most reliable. Place chance

**2. PEGO** - Finished an unappealing 6th on debut in Germany and would need to do more now having her first run in France. Difficult to recommend

**3. PANZER** - He has shown very little in his first two starts and doesn't inspire any confidence. Would be a shock winner

**5. VILLAGE ANGLAIS** - He ran a very decent 4th over track and trip two starts back and shouldn't be discounted in a race of this nature. Should run well

**6. AMERA** - She finished back in 2nd last time out but was beaten 4l over the 1800m trip. Further drop in trip which is questionable but she can improve. Place chance

**7. ARISTOCRAZY** - She ran a cracker on debut but hasn't managed to reproduce that in her latest two starts. She should improve here. Each way chance

**8. VINCA** - She has been well held in all of her starts to date and will need to start improving if she is to win a race. Others make more appeal

**9. JUNEBUG** - She finished 5th over 2000m last time out and will need to show big improvement in order to challenge now dropping in trip. Others preferred

**Summary :** SHORT FINAL (4) has the form to run a big race and could just do that taking on a field that isn't overly strong. NOSHOWNFRIDAY (1) has shown before and if he can bounce back to his earlier form, he will be a serious threat. ARISTOCRAZY (7) needs to be watched carefully as her debut run was very appealing and could show that form here. AMERA (6) seems to be improving with each run and could get involved.
