A couple of horses are a lot better than the rest. **8 Devils Tongue** has done well this summer and showed good capacity again. Scored a splendid victory in Skelleftea and set a nice new record in the last run. **2 Roller Coaster Ås** won in the lead two starts back and looked nice. Can open fast for the front here as well. **10 Ad Hoc** is trotting better now and is good enough to earn good money here. Faces easier opponents than he uses to. **1 NoLimitJimMit** is a horse who uses to be improved this winter. Can open fast.

7 Helan has five wins in ten races this year and when he is at his best he is really good for this class. Won easily in the lead in the last run and this new driver is an advantage too. **12 Muscle Man Boko** scored a strong win for the new trainer two starts back and will be interesting to follow in the northern part of Sweden. Early contender. **8 Olea Håleryd** has become tougher after meeting strong horses this year. Easier opponents here and has to be followed. **2 Jeans N.Both** was pressed in the lead in the last run and gave up at the end. Could reach the front.

These horses do not win very often. Wide open. 8 Ravn Kiro has shown great skills this summer and has to be considered early here. Faces nice conditions money-wise here. 11 Philip scored a good second spot two starts back and with a similar effort he is possible here. Early choice. 4 Tåga Storm is not reliable but he owns good strength and can do it tough. This starting method is an advantage. 9 Stjärnstorm wins often but this year has not been as good as expected. Is gifted and should not be overlooked.

11 Jagger Mearas has got a new trainer before this start but scored a good second spot in the lead a short while ago. Is good enough to win this. 12 Kiwi Sisu is quite gifted too and has not won yet. Faces easier opponents now and should be followed. 1 Wild Gospel has looked nice this summer. No long distance now like in the last two runs. Could get a perfect trip here. 2 Sounds Easy comes from a strong victory. The form is a question mark after a layoff.
