4 Urban Tile made a mistake from the start as quite heavily backed at Färjestad last time. Won from the lead two starts back and had put in several good performances before that. Now driven by Marcus Totland Aadland and should have a good chance. **8 Valla d' Primadonna** has won two of five races so far. Comes from two good efforts in Sweden and should be considered despite a difficult post. **7 Armani Knick** was second from the lead in the last race at Bjerke. Finished second with today's driver Marius Höitomt at this track in June and can be in the mix again. **1 HM Bold Tigress** made an early mistake in the Norwegian Trotting Derby for mares last time. Easier now and interesting lane.

5 Valentina has earned the most money this year and got a nice lane. She faces easier opposition now than at the end and should be considered early. **9 Touchtoomuch** led for a long time in the comeback in the last race and finished second. Run under her belt now and on the way up. A bit tricky number. **8 Trixie Sun** scored a nice win from the lead at Årjäng in July. Competed in the final of the Norwegian Derby for fillies last time. **12 Sanctuaire** has a terrible lane but is good for this company. Took an outstanding win in August and followed well as second in the last race.

5 Nore'n was not at his best in the last race and comes back after a layoff. He had taken three impressive wins in a row before that and normally has a top chance here. Possible banker. **4 Sweet Johanna S.C.** is the logical challenger. Earned the most money last year and has done well this season too. Won after a nice trip from the pocket in the last race. **3 Rocky Vrijthout** won comfortably from the lead in the last race and is driven again by Frode Hamre. Contender if the favorite does not live up to his potential. **1 Supreme Sund** made a mistake from the start in a bigger race last time but was second at this track together with today's driver Åsbjörn Tengsareid. Interesting lane.

3 Grisle Röveren G.L. won very easily from the lead in August and has done really well from the outside of the leader as second since then. Normally a good chance. **1 Björli Lizzie** won two starts back and actually beat our pick then. Was heavily backed in the last race and finished nicely from the pocket to a third place. Early challenger. **5 Haugestad Lalla** won easily in June and has put in several good efforts since then. Galloped twice at Åmål in the last race. Contender if avoiding a mistake. **6 Troll Sterk Boulder** took an easy win from the lead in August. Came back well after a gallop two starts back and probably had some energy left from the pocket in the last race. Should not be overlooked.
