1 Xanthis Image has got a nice number in this race for three-year-old fillies and mares. Won from behind the leader two starts back and could get a similar journey here. 10 Nephtys Boko got a tough journey from far back during the final lap in the last run and scored a strong third spot. Will pass many opponents here in case of quick pace. 2 Global Eye Candy was close to finish to victory in the last run. Deserves a first win soon. 6 Asap Annie never found room at the end in the last run and had energy left. Should be followed here.

1 Dior Lilly deserves a victory again. She has earlier found the lead with this number on Gävle. Top chance in this otherwise open race. 6 M.T.Ravishing is on the way up. Did not find room until 100 meter to go in the last run and finished fast. Early challenger. 9 Beawinner has put in a couple of good efforts for Elias Strandberg who will drive again. Could win again here with the right journey. 2 Vilja T.Y.C. has been a non-starter after the last run. Is better than the latest results show.

1 Run N'Cola resumes from a spell. He met tough opponents this summer without winning. Faces nice conditions money-wise and is our pick here. 7 Ellis Pride kept up the pace alright after an inside journey in the last snowy race on Bergsaker. Scored a nice victory before that. 9 Underbarosåfin did not find room until the home stretch in the last V75-race. In the mix here with the right trip. 3 Feel the Benefit has a couple of runs under his belt now after a pause and should be on the way up.

2 Matteo de Veluwe has not raced since August. Gave up on the home stretch in the last run after a journey from outside the leader. Is strong and this distance is an advantage. 10 Icone de l'Etre did not trot well at the end in the last run but avoided a mistake. Has two runs under his belt after a layoff. On the way up. 4 Hisco de Florange is more strong than fast and this long distance will certainly suit him well. Faces quite easy opponents too. 3 En Garde galloped directly in the last run. The form is a question mark. Has good speed.

8 Nordby Elde was defeated in the last V75-race after a couple of wins in a row. Faced a double handicap there and put in a good effort. Poor number but is probably simply the best in this company. 6 Dellenit was fifth in the same race where our pick came in second. Has been consistent and good but does not win very often. 11 Månremus does not win very often but has shown good form lately. Is possible here behind our winner. 3 Trö Kasper uses to be in the mix and is an outsider here.

5 Delon Grif has started twice for the new trainer. Never found room after an inside journey in the last run and deserves a victory here. Our pick. 8 Zätamustangen has scored two comfortable wins in the lead lately. Tricky number here but he can open fast and should be considered early regardless the journey. 2 High on Life Vixi was second in the V75 last summer and has good speed for this class. Should not be discounted here if back in good shape. 7 Uptown Skift is consistent and good but does not win very often.
