6 Last Cool Cash comes from southern Sverige where he has shown good speed in tough companies, and he is now making his debut for Daniel Redén. He is working well and should normally have top chance. Quick starter. **9 Lumbermans Malte** scored a good win and did alright in the last V75 race. Norwegian bridle now! **7 Dirkschneider** is always heavily backed. Barefoot now and driven by Sjöström. **11 Ziva Bris** got locked in last time and is better than the latest results show. Needs a defensive journey.

2 Julius Cortina scored a good win two starts back at Solvalla after a tough journey. Brave in the last race from outside the leader against a good horse. Tough and this distance is the right one. **8 Flys Punk Rocker** made his debut for a new trainer in the last race and won in a strong way. First barefoot now and driven by Sjöström. **6 Kingsman** was superior under the saddle in the last race and the horse is developing really well. **4 Occhio** was superior after an early lead in the last race. Our favorite for the lead again.

3 Olle Sting has been strong all year in tough companies. In the Breeders' Crown-semi-final he finished fast to a second place. Never had a real chance in the final. Could lead this from start to finish. **5 Emporio Broline** is inexperienced and has not been matched against the best horses, but he is still on the way up. Nice impression last time. **8 Mon Amour D'Aurcy** won from the outside of the leader two starts back. Was also good in the last race. **6 Javier Zet** was fifth in the Kriteriet but did not convince in the last race.
