7 Fabian B.R. is consistent and good and finished well to second in the last run. Can do it tough and is our pick here. 4 Al E.Gador Zet has put in a couple of good efforts in Boden. Finished strongly from far back in the last run too and could reach a nice position directly here. Early contender. 9 Mr Sånna is up and down but has good capacity and this ice track is not a handicap. The Hanna Olofsson stable is in good shape too. 8 Shorthanded Jag is interesting here in this comeback. He is qualified and should be considered. Outsider.

11 Atlas Eagra likes to compete in the winter and finished from far back to a nice victory on ice two starts back. Got lcoked in together with an inexperienced driver in the last run but is driven by Hanna Olofsson again here. **9 Mellby Fog** have we been waiting for. Failed last season but is on the way up again. **4 La Norna** was slow in the lead in the last run but can do better and should be on the way up. **2 Springbank** attacked early in the last run and kept up the pace well. Will be interesting to follow for the new trainer.

6 Laxfaks has not won yet for his new trainer but in the last race he put in his best effort in the northern part of Sweden and was second behind a really good winner. Professional driver again and good chance. **3 Slotts Pila** came back well after a mistake in the last run and is better than the latest results show. Faces nice conditions in this race. **11 Rote Lin** came back really well too after a mistake in the last run. Is good for this class but not reliable at all. **5 Rappodina** likes to race in the winter and has to be followed directly in this seasonal debut.

11 The Oak L.A. is a very talented three year old who has started with two wins in the lead. Has won easily on both occasions and looked really nice. Seems an exceptional horse and will be hard to beat. 1 Xanthas Knight was outstanding in the last run and is back in good shape after a break. The Roger Nilsson stable is in good form. 5 Crossfire Selene was good the last time he visited Sweden and has done really well after that in Finland too. 4 Medias Fasth One was brave in the lead in the last run and is on the way up.

4 Gladys Knight has started very well for new trainer Hanna Olofsson and scored a good win in the lead in the last run. Good chance if the horse finds the lead again. Is driven by an apprentice though. 1 Shawn Leejs has also shown good form lately and the stable companion to our pick has two nice wins in a row. Could challenge for both the lead and the victory. 10 Bag in Box is also trained by Hanna Olofsson. Is driven by her since she is a co-owner. The horse has met tough opponents and is an outsider. 6 A Cupcake has been on the way up for the new trainer. Is consistent and good. Possible.

15 Satellit L.A. scored a splendid win in his comeback two starts back. Was unlucky in the last race and never got a real chance. Normally good chance to finish to victory here. **10 Queen of Knights** comes from victory and was really brave. She found the lead but was never allowed to dictate the pace. Likes to race on ice and will be in the mix here. **7 Gun de Chanlecy** galloped again in the last run and is not reliable. Has good speed and is a typical outsider. **11 Maxi** had energy left against tough horses in the V75 two starts back.
