9 Kluivert Boko has scored a couple of outstanding wins and is the best horse in this field. Is not used to the circular start though and this number is tricky. Top chance without a mistake. 1 Hopus Castelle is tricky but has good capacity. Got a tough journey in the last run but did alright. Interesting number and won two starts back despite two mistakes. 10 My Sunshine is a lot better than the latest results show and has good capacity. Should not be overlooked without a mistake. 2 Felis is not reliable but has quite good skills when avoiding a mistake. The chances are not easy to predict.
