**3 BG Svedjan** won a sprint race at Bollnäs in November and comes from a second spot in the V85 behind Romulus Diablo. Driven by Ulf Ohlsson again and is well drawn. **12 Wing Profile** faces good conditions money-wise and earned the most money last year. Has shown really good form towards the end and is an early challenger despite this lane. **2 Noon** has started sporadically of late. Second after a layoff in October and third most recently after another break. Is a quick starter and our favorite for the lead. **7 Global Forecast** won together with Rikard N Skoglund over today's short distance second last. Possible with the right trip.

**7 Måns WJ** comes from two very easy wins and looks in top form. He will probably be driven offensively and with a similar effort he will be hard to beat. **3 Finnskog Zizu** comes from Norway but has earlier done well in Sweden. Was superior at Gävle in September. Good finish last time. Better lane now. **6 Klack Klöver** has been quite consistent and can surprise with the right journey. **10 Lassas Vårvina** has been very consistent and good at the end without winning. Hopes for quick pace. Driven by Rikard Skoglund again.

**4 Mary Chain** is our pick in this rather mediocre and tricky race. Comes from a win in the lead and we think Rikard N Skoglund will reach the front again here. **6 Ziva Bris** is interesting for new trainer Jennifer Persson. Has not been empty in the last two races and is driven this time by top driver Mats E Djuse. Interesting! **2 Larrigan** is a bit hard to predict but meets easier opponents this time and has got a good lane. Driven by Ulf Ohlsson now. Warning! **8 Maverick Melody** won from the lead in September. Has faced slightly better horses lately. Difficult lane but gets an offensive start anyway?

**4 Sven The Forestman** is really good for this company but has started very sporadically of late. Third from the front in his comeback last time. Definitely better now and towards the lead again. **6 Lion's Roar** beat our pick from the pocket in the last race after a very fast finish. Run under his belt now and on the way up. Early challenger. **5 Kakko Bob** is a typical sprinter who has done well at the end. Driven by Oskar Kylin Blom this time. Contender behind our top duo. **8 Eva Aloha** is in top form and comes from victory. Needs a bit of luck from this difficult lane.
