RACE 1

WILLIAM HILL RACING PRICE BOOSTS JUVENILE HURDLE (Qualifier) (4) 4yo £10,000 2m (3220 Metres)

Going: **Soft (Good to Soft in places)**

Left handed, galloping. Nine fences to a circuit again now, though the four in the home straight have been switched to the inside of the hurdles track after problems caused by the realignment of the nearby A1. The signs are the fences still punish those who aren't accurate. It's a very fair test for any horse but is ideal for the free-running, long-striding sort.

Pace Information: **Even**

1	KLYCOT (FR) (26)	412	4	11-7	73.0kg	★	100	Harry Bannister
	Richard Bandy	Fairly useful winner on Flat in France who was built on his encouraging hurdle debut fourth when seeing off 3 rivals at Exeter last month. Pitched into a deeper race and better form when second of 5 in Grade 2 (albeit a weak one) 4 weeks ago. Sets the standard back in class.						
2	VIVRE LE REVE (61)	1	4	11-7	73.0kg		92	Ben Jones
	Ben Pauling	Brother to fair 17f hurdle winner Solomon. Dam (h111), ran 3 times over hurdles, useful 1½m winner on Flat in France. Won 6-runner juvenile hurdle at Lyon Parilly on debut by 2 lengths from Sundays Child. Left Hugo Merienne £100,000 later in November and likely to improve for new yard.						
3	ASHDOWN FOREST (IRE) (21)	67	4	11-0	69.9kg		80	Sean Quinlan
	Jedd O'Keeffe	Fair maiden on the Flat for Ed Walker. Weakened into a well-held sixth on Doncaster hurdle debut 3 weeks ago but went off a short-priced favourite so a good deal better was seemingly expected. Blinkers on and again too free at Musselburgh.						
4	CANAVAN (IRE) (21)	76	4	11-0	69.9kg		87	Gregor Walkingshaw (10lb/5kg)
	Lucinda Russell & Michael Scudamore	Fair maiden on Flat. Left low-key hurdles debut behind when sixth at Musselburgh 3 weeks ago but he was never really a factor.						
5	CAPTAIN CONNOR (FR) (37)	34	4	11-0	69.9kg		58	Jamie Hamilton
	Mark Walford	Showed plenty to work on when 8 lengths third of 9 in Huntingdon bumper (soft) on debut in November but limited short-term promise switched to hurdling a month later.						
6	CLOAKS OF GOLD (IRE) (42) (D)	1	4	11-0	69.9kg		96	David Bass
	Max Comley	Dam half-sister to fairly useful hurdler (stayed 25f) Mubrook. Fair maiden on Flat (stays 13.5f) for David Evans and defied greenness when landing 5-runner juvenile hurdle at Warwick last month. That wasn't a strong race but she can still make her presence felt.						
7	DONTELMURNAMEPIKE (41)	RS	4	11-0	69.9kg		77	Ryan Mania
	Ruth Jefferson	Out of a fairly useful hurdler but ran out on hurdles debut in November and didn't show much more when completing 3 weeks later.						
8	GLENRIDDING (21)	75	4	11-0	69.9kg		86	Callum Bewley
	Ewan Whillans	Fair Flat winner for Daniel & Claire Kubler. Showed more than on hurdles debut when fifth at Musselburgh on New Year's Day but needs to step forward again.						
9	KNIGHTON (41)	8	4	11-0	69.9kg			Toby Wynne
	Oliver Greenall & Josh Guerriero	Showed plenty of ability despite obvious inexperience when runner-up in 4-runner novice on the Flat at Ripon in September. Out of a half sister to a useful hurdler but didn't know what was required when well held sent hurdling last month. Hood may help him settle.						
10	MY KINDA GHAIY (IRE) (23)	2	4	11-0	69.9kg		97	Sean Bowen
	Olly Murphy	Fair maiden on Flat (should stay beyond 1m) for Hugo Palmer. Half-brother to fairly useful hurdler Courage and showed plenty to work on when second of 11 on hurdles debut at Taunton 3 weeks ago. Expected to build on that.						

11	TREASURE ISLANDS	4	11-0	69.9kg				Tom Midgley (3lb/1kg)
	Tim Easterby	Modest form in 2 minor events on Flat.						
12	TWILIGHT SAFARI (26)	7	4	11-0	69.9kg		46	Brian Hughes
	Micky Hammond	Dam half-sister to fairly useful hurdler (stayed 3m) Handazan. Fair maiden on Flat (should stay 1½m) for Harry Eustace and shaped as though in need of the run on last month's C&D hurdles debut. Hooded.						

12 DECLARED RUNNERS

BETTING FORECAST:
5-2 Klycot, 7-2 Vivre Le Reve, 4-1 My Kinda Ghaiy, 11-2 Cloaks of Gold, 22-1 Canavan, 22-1 Glenridding, 28-1 Ashdown Forest, 28-1 Dontelimurnamepike, 50-1 bar

TIMEFORM VIEW:
KLYCOT continued his theme of race-by-race progress when second in a Grade 2 at Chepstow a month ago and back in a conventional juvenile, he can regain the winning thread. My Kinda Ghaiy and Vivre le Reve are potential improvers for their successful yards and look the chief threats.

TIMEFORM 1-2-3:

'NATIONAL HUNT' NOVICES' HURDLE (Qualifier) (4) 4, 5, 6

Pace Information: **Even**

1	KAKA'S COUSIN (IRE) (25)	84
	1 Jonjo & A.J. O'Neill 6-figure buy after finishing second in an Irish point who justified short odds starting out under Rules when impressively landing 6-runner maiden hurdle at Catterick (19.3f) 25 days ago, running green before asserting before last. Looks sure to progress and definite claims under a penalty.	<i>K. Brogan</i>
2	STARMOUNT (IRE) (27) (CD)	100
	14 Ben Pauling Successful on completed start in points and perfect start under Rules when landing a C&D novice under hands and heels riding at the start of last month. Serious error did him no favours when fourth in Aintree Grade 1 on Boxing Day and expected to play a lead role back in calmer waters.	<i>Ben Jones</i>
3	BOGHA BAISTE (IRE) (62)	73
	5d7 Lizzie Quinlan Getaway gelding who has looked a work in progress in a couple of bumpers 5 months apart, still showing greenness starting out for new yard when seventh of 12 in bumper at Catterick (15.7f, good, 66/1) 62 days ago. Likely best watched now hurdling.	<i>Sean Quinlan</i>
4	HOURLMAN (FR) (103)	76
	4 Lucinda Russell & Michael Scudamore Masked Marvel gelding who finished a close fourth of 5 in a Hexham bumper (16.2f) on debut back in October, held only late on in a race run at a crawl. Certainly bred to have a future in this sphere but he may have to settle for a minor role on this occasion.	<i>Derek Fox</i>
5	JE MR DAWSON (FR) (39)	73
	6-76 Rebecca Menzies Has merely hinted at ability in bumper/pair of novice hurdle runs to date and low-grade handicaps promise to be more his thing moving forward. Tongue strap on 1st time.	<i>Ross Chapman</i>
6	JOHNNY TWO JETS (IRE) (20)	70
	70 R. Mike Smith Beat just one rival home starting out in a bumper here last month and he fared no better when eleventh of 13 in novice hurdle at Ayr (16f, soft) on hurdles bow 20 days ago. Can only be watched.	<i>Toby Wynne</i>
7	JUNGLE JET (IRE) (315)	74
	6- Joel Parkinson & Sue Smith Placed in Irish point but he looked a likely longer-term project under Rules when tailed-off sixth of 7 in a Hexham maiden (16.2f) 10 months ago. Undergone wind surgery ahead of return and this promises to reveal more.	<i>Danny McMenamin</i>
8	KNOCKERANNA ROSE (IRE) (24)	74
	5-4266 Susan Corbett Shaped like a stayer in bumpers and similar story in 2 hurdle runs, unsuited by the drop in trip when sixth of 11 in a Kelso maiden (16.2f) 24 days ago. Another likely type for handicaps on the back of this.	<i>Conor Rabbitt (3lb/1kg)</i>
9	LARGY MEADOW (IRE) (20)	73
	28 R. Mike Smith Out of a 2m-3m hurdle winner and didn't shape at all badly when chasing home a useful-looking type on debut/sole start for Stuart Crawford in a Ballinrobe bumper last summer. Too free when down the field on yard/hurdles bow at Ayr (2m) 3 weeks ago, though. Hood on 1st time.	<i>Ben Smith (7lb/3kg)</i>
10	LARISTOTE (FR) (59) (BF)	76
	3 Donald McCain Held every chance when falling at the last in an Irish point early last year and whilst he couldn't justify cramped odds, there was definite promise to glean from his third behind William Yeats on bumper debut at Sedgefield (16.8f) in November. Interesting hurdles debutant.	<i>Brian Hughes</i>

11	WILLIAM YEATS (24)	75
	2156 Rebecca Menzies Easily landed a 5-runner bumper at Sedgefield (16.8f, soft) in November but seemingly being brought along gradually in this sphere, not unduly punished when sixth of 10 in a Kelso maiden (16.2f) 24 days ago. Likely improver further down the line.	<i>Theo Gillard</i>
12	BIG LOVE (55)	75
	44 Michael & David Easterby Showed ability only start in bumpers and did the same before finding himself derailed by an error when fourth of 6 in juvenile hurdle at Doncaster (16.6f, good to soft) on hurdles bow 55 days ago. In receipt of plenty of weight all round but he's possibly one for handicaps.	<i>Jamie Hamilton</i>

BETTING FORECAST:

5-6 Starmount, 7-2 Kaka's Cousin, 14-1 Laristote, 14-1 Hourman, 22-1 William Yeats, 25-1 Big Love, 40-1 bar

TIMEFORM VIEW:

Having made the perfect start when landing a C&D novice under hands and heels riding in December, STARMOUNT ultimately found a bad mistake doing him no favours when fourth in Grade 1 company at Aintree on Boxing Day. Remaining with potential, he can make amends back in calmer waters. Fellow penalised runner Kaka's Cousin was a good winner at Catterick over Christmas and rates the lead threat. Hurdle debutants Hourman and Laristote are others worthy of a second look.

1	PLEASINGTON (IRE) (24)	★	100
	65/117-352 8 12-0 76.2kg		
	Olly Murphy	Sean Bowen	
	Winning 2m hurdler who made a promising start in this sphere after 8 months off when close third here (15f). Quickly back on track when second at Newbury and worth another try at this trip.		
2	JOHNSON'S BLUE (IRE) (20)		83
	U10/02P87 9 12-0 76.2kg		
	Mark Walford	Jamie Hamilton	
	Eight-time winner over hurdles and left his reappearance run behind when only narrowly denied at Hexham In June. However, his subsequent efforts have been very poor, including back chasing 3 weeks ago.		
3	FINE CASTING (IRE) (36)	s	99
	60274-21P 10 11-10 74.4kg		
	Ben Pauling	Ben Jones	
	Gained a deserved breakthrough victory back over fences at Bangor in November. Clearly wasn't 100% when well held at Newbury 5 weeks ago and type to bounce back.		
4	DOYOUKNOWWHATIMEAN (34)		99
	4512-13P2 9 11-10 74.4kg		
	Gary Hanmer	J. Hogan	
	In fine form for Dan Skelton during the spring, winning at Chepstow and Worcester. Positive start for this yard when going close at Uttoxeter, impressing with both his jumping and enthusiasm. Player.		
5	WALK ON QUEST (IRE) (42)	t	98
	1111P6-52 7 11-9 73.9kg		
	Lucinda Russell & Michael Scudamore	Derek Fox	
	Much improved when switched to fences last season, completing a 4-timer at Kelso (21.6f, good to soft) in March. Ended the campaign with poor efforts at Uttoxeter/Perth but back to best when second at Newcastle last month. Not taken lightly.		
6	GENOIS (FR) (27) (CD)		98
	164P76-51 10 11-7 73.0kg		
	Jonjo & A.J. O'Neill	Benjamin Macey (71b/3kg)	
	Justified support when taking advantage of a much-reduced mark over C&D 4 weeks ago. Well on top that day and remains on a handy mark but not sure to be in the same sort of form this time given his career record.		
7	HELLO JUDGE (54)	t	96
	61P12-118 10 11-7 73.0kg		
	Ann Hamilton	Danny McMenamin	
	Likeable sort who has resumed on the up with 2m4f handicap chase victories at Carlisle and Hexham this autumn. Failed to fire at Newcastle last time but given a break since.		
8	NED TANNER (IRE) (23) (D)	s+t	96
	12214-733 10 11-5 72.1kg		
	N. W. Alexander	Sean Quinlan	
	Twice a winner last season and back to that level when third at Haydock last month, every chance 3 out. May come on again and has dipped below last winning mark.		
9	GERYVILLE (FR) (27) (CD)	b	98
	1725-5265 10 11-2 70.8kg		
	Micky Hammond	Brian Hughes	
	Gained second C&D win in this race 12 months ago off 2 lb higher but given his running only twice since, brushed aside here on Boxing Day.

BETTING FORECAST:

TIMEFORM VIEW:

PLEASINGTON wasted no time getting back on track when second at Newbury despite being unsuited by the emphasis on speed back at 2m and has races in him over this sort of trip. Doyouknowwhatimean made a bright start for this yard when second at Uttoxeter and is another to consider, while Genois remains potentially well treated on old form having won over C&D under this rider last month.

16 DECLARED RUNNERS

BETTING FORECAST:
13-2 Toby Two Scoops, 7-1 Forest Blaze, 8-1 Eric Carmen, 10-1 Wor Lad, 11-1 Ionity, 12-1 Caramelo Rapido, 12-1 Sweeper System, 14-1 Ruler Legend, 16-1 Knacker Trapper, 18-1 Suspected, 20-1 Reel Rosie, 25-1 Goguenard, 33-1 Perfect Arch, 50-1 bar

TIMEFORM VIEW:
Not as competitive as the numbers suggest and TOBY TWO SCOOPS is fancied to gain a deserved breakthrough success with this step up in trip a positive and the form of his good third here having been boosted. Handicap debutants Suspected (second choice) and Sweeper System look to have more to offer and could prove the biggest threats, although Eric Carmen, Goguenard and Wor Lad need factoring in too.

TIMEFORM 1-2-3:
1. TOBY TWO SCOOPS 2. SUSPECTED 3. SWEEPER SYSTEM

RACE 5

WILLIAM HILL RACING DAILY WINNINGS BOOST MARES' HANDICAP CHASE (Qualifier) (4) 5yo+ mares (Rated 0-110) £9,000 2m3f85y (3900 Metres)

Going: **Soft (Good to Soft in places)**

Left handed, galloping. Nine fences to a circuit again now, though the four in the home straight have been switched to the inside of the hurdles track after problems caused by the realignment of the nearby A1. The signs are the fences still punish those who aren't accurate. It's a very fair test for any horse but is ideal for the free-running, long-striding sort.

Pace Information: **Very Weak**

1	POLITACUS (IRE) (34)	t	94
	44611/2-4P 8 12-2 77.1kg Fergal O'Brien Fairly useful bumper winner who landed pair of mares' handicap hurdles at Huntington/Hereford in spring 2024, but hasn't returned in the same heart, pulling up on chase debut at Uttoxeter (heavy) latest. Hurdles form would give her a chance but has a bit to prove second time up over fences.	Liam Harrison	
2	SHE IS FOR ME BOYS (40) (D, BF)	★	100
	2-1110 7 12-0 76.2kg Jamie Snowden Successful sole start in Points and progressive over hurdles. Impressive winning start over fences at Kempton (20.5f, good to soft) in November (third a next-time-out winner) but folded in better race at Cheltenham latest. Had a wind op since and she's worth another chance with sights lowered.	Gavin Sheehan	
3	MOUNTAIN MOLLY (IRE) (31)		90
	5/53-128 7 11-12 75.3kg Lucinda Russell & Michael Scudamore 1-1 in Points and progressive over hurdles, going close on handicap bow at Kelso (20.2f) on latest hurdle start. Perhaps surprisingly didn't shape with promise when last of 8 on chase debut at Musselburgh last month. Still early days but needs to leave that performance well behind.	Patrick Wadge	
4	DONTYAWANTME (IRE) (42) (D)		89
	42178/7 9 11-9 73.9kg Mark Walford Dead-heated sole start in points. Fairly useful bumper winner and off the mark over hurdles in 19f Carlisle novice for Craig Lidster. Lost her form for that yard but was entitled to need the run on reappearance/stable debut at Newcastle last month. Bred for chasing and market can guide.	Jamie Hamilton	
5	TAXUS BACCATA (IRE) (55) (D)	t	93
	4125-5438 8 11-7 73.0kg Robbie Llewellyn Point/bumper winner who made a winning chase debut at Plumpton (19.7f) in March for Matt Crawley. Form has dipped but she's joined a capable new yard and no surprise to see her more competitive in first-time tongue following wind surgery.	Charlie Price	
6	CELESTIAL FASHION (20) (D)		98
	5/71222-14 8 10-12 68.9kg Ian Duncan Likeable type who finished runner-up twice over C&D and looked better than ever when making a winning return at Carlisle (2½m) in November. Shaped as if still in good form when fourth at Ayr latest, only fading late on first try over 3m. Sure to be in the mix back down in trip.	Callum Bewley	

6 DECLARED RUNNERS

BETTING FORECAST:

5-2 She Is For Me Boys, 3-1 Celestial Fashion, 5-1 Politacus, 11-2 Taxus Baccata, 10-1 Mountain Molly, 14-1 Dontyawantme

TIMEFORM VIEW:

SHE IS FOR ME BOYS beat a fairly useful sort to win on chase debut and has undergone a breathing operation following a weak finish at Cheltenham last time. She sets the form standard and can resume winning ways if handling softer conditions than previously faced. Celestial Fashion shaped as if still in good form when fading late over 3m at Ayr, she's a danger back down in distance, while Taxus Baccata has joined a capable yard and is worth noting for support.

TIMEFORM 1-2-3:

1. SHE IS FOR ME BOYS 2. CELESTIAL FASHION 3. TAXUS BACCATA

WILLIAM HILL BEST ODDS GUARANTEED HANDICAP HURDLE (Qualifier) (5) (D.I) 4yo+ (Rated 0-100) £6,000 3m26y (4850 Metres)

Going: **Soft (Good to Soft in places)**

Left handed, galloping. Nine fences to a circuit again now, though the four in the home straight have been switched to the inside of the hurdles track after problems caused by the realignment of the nearby A1. The signs are the fences still punish those who aren't accurate. It's a very fair test for any horse but is ideal for the free-running, long-striding sort.

Pace Information: **Weak**

1	EVENWOOD SONOFAGUN (IRE) (25) (D)	s+t	96
	12063F70 8 12-0 76.2kg Lizzie Quinlan Landed a quick-fire double at Cartmel in May but hit and miss since, latest when held in Class 4 handicap at Catterick (19.3f, good, 40/1) 25 days ago. Drops into a 0-100 for the first time in a while and worth checking if the betting hints at a resurgence back up in trip. Ross Chapman		
2	ASA (FR) (31) (D)	s	99
	211F-8976 7 11-13 75.7kg Philip Kirby Won twice over fences last season and also bagged a 3m handicap at Southwell (soft). Yet to hit top form this time around but there were more positives signs at Musselburgh last month and she's one to consider eased in grade. Joe Williamson (3lb/1kg)		
3	WEE ALKI (IRE) (43) (BF)	s+t	96
	43-22041P 7 11-12 75.3kg Susan Corbett Out-and-out stayer who went close twice at Kelso at the start of the season and wasn't winning out of turn when seeing off 9 rivals at Hexham in November. Well-backed but never travelling there last time but type to bounce back. Conor Rabbitt (3lb/1kg)		
4	SLIEVEHILL (IRE) (81)		87
	4/450 9 11-11 74.8kg D. J. Jeffreys Winning Irish pointer hinted at promise when fifth in 2m Kelso novice but shaped as though amiss when tailed off in maiden at Huntingdon (15.8f, good) on qualifying run in November. Given a break and interesting to see if he's supported now upped markedly in trip on handicap debut. Kielan Woods		
5	LA HIGUERA (IRE) (22)	s	 100
	4/54-4323 7 11-8 73.5kg Toby Lawes Placed in Irish points. Found only an improving sort too good at Haydock and would have finished second behind a handicap blot barring a late mistake at Uttoxeter (23.3f) latest. Forecast rain should make this a test of stamina and he looks a thorough stayer. Solid claims. K. Rogan		
6	SUPERIOR GLANCE (22)		95
	64523-3P 11 11-6 72.6kg Gary Hanmer Lightly-raced veteran (won sole point start) who gave it a good go from the front when third on return at Hexham (23.3f, heavy) but disappointed when pulled-up at Uttoxeter 22 days ago. Needs to bounce back but booking of Sean Bowen gives cause for optimism. Sean Bowen		
7	BOLLIN MATILDA (31) (D)		97
	5611/6-P73 8 11-4 71.7kg Donald Whillans Improver when landing a pair of 3m handicaps in spring 2024. Stood little racing since but bounced back to form (supported) when close third in 13-runner handicap at Musselburgh (23.8f, good to soft) 31 days ago. Definite player, if she can back that up. Theo Gillard		
8	DE DELI COUNTER (7)	v	89
	46PU 5 11-2 70.8kg Mark Walford Fourth of 5 finishers in Irish point in May last year. No show in novice/maiden hurdles and was sent off at long odds in first-time visor (retained) when unseating early on handicap debut 7 days ago. Upped again in trip and only considered if backed. Jamie Hamilton		
9	MOVEONBUY (26)		98
	664-47140 6 10-10 68.0kg Andrew Crook Much improved when winning handicap at Cartmel (22f, heavy) in June and plausible excuses for pair of below par efforts last month. Could be closer to form here. William Maggs (5lb/2kg)		
10	SMART BUCKS (10)	s	97
	7P6-6P642 6 10-2 64.4kg Philip Kirby Maiden who has shown a bit more over hurdles for headgear/step up in trip, fourth at Wetherby (24.1f, soft) prior to finishing well held second in thin handicap at Hereford (25.5f, soft) 10 days ago, going in snatches. This more competitive. Danny McMenamin

BETTING FORECAST:

7-2 La Higuera, **5-1** Asa, **5-1** Bollin Matilda, **11-2** Wee Alki, **10-1** Superior Glance, **14-1** Evenwood Sonofagun, **16-1** Slievehill, **20-1** Moveonbuy, **20-1** Smart Bucks, **66-1** bar

TIMEFORM VIEW:

Lightly-raced LA HIGUERA has chased home a couple of improvers on his previous two starts and this could be a good opportunity to open his account. Asa had a productive time of things this time last year and is feared back in a 0-100, while Bollin Matilda has claims if backing up her Musselburgh third. Slievehill warrants a second look in the betting upped markedly in trip on handicap bow.

TIMEFORM 1-2-3:

1. LA HIGUERA 2. ASA 3. BOLLIN MATILDA

Going: **Soft (Good to Soft in places)**

Left handed, galloping. Nine fences to a circuit again now, though the four in the home straight have been switched to the inside of the hurdles track after problems caused by the realignment of the nearby A1. The signs are the fences still punish those who aren't accurate. It's a very fair test for any horse but is ideal for the free-running, long-striding sort.

1	CLONDAW ROYALE (IRE) (23) (D)	93
	1430-7683 7 12-0 76.2kg Jonjo & A.J. O'Neill <i>Benjamin Macey (71lb/3kg)</i> Winner at Haydock (24.3f, soft) in December 2024 and, after 6 months off, took a step back in the right direction when third in latest renewal of the same race (good). Could be in the mix from a handy mark with softer conditions to suit.	
2	FARMER JIMMY (22) (C)	90
	8153-724P 6 11-12 75.3kg Mark Walford <i>Jamie Hamilton</i> Sole success came at this course (19.7f) in February last year and returned to form when runner-up over C&D in November. However, possibly amiss when pulled up at Uttoxeter 22 days ago, so bounce back called for at this venue.	
3	BOLLIN THOU (14lb/6kg ex) (3)	100
	889-P4111 8 11-12 75.3kg Nick Scholfield <i>Sean Bowen</i> Continues to go the right way in handicaps for current yard, having little trouble completing the hat-trick when landing the odds at Lingfield (19.5f, soft) 3 days ago. May not have stopped improving yet so he's the one to beat.	
4	BALLIN BAY (IRE) (76)	89
	14/P643-P 8 11-10 74.4kg Rebecca Menzies <i>Charlie Maggs (51lb/2kg)</i> Had been struggling for form (including over fences) following his Kelso success, but shaped well back hurdling on stable debut when third at this C&D (good) in March. However, after 7 months off he was pulled up at Hexham in November. Needs to leave latest run behind.	
5	YOU DID (IRE) (45) (D)	90
	8556121 6 11-6 72.6kg Brian Ellison <i>Sean Quinlan</i> Has benefited from his stamina being brought more into play, getting off the mark in handicap at Hexham (20.1f) in October and proving determined when doubling his tally at Musselburgh (23.8f, good to soft) last time. Can make his presence felt.	
6	THEATRE LIGHT (IRE) (24)	91
	27-5P7 8 11-5 72.1kg Susan Corbett <i>Jack Power (51lb/2kg)</i> Point winner who made a promising start over hurdles when second in a Carlisle maiden (19f, good) in April. Has gone the wrong way since, though, faring no better after a wind op/in first-time tongue strap when down the field at Kelso (18.1f, soft) 24 days ago.	
7	GLORY HIGHTS (26) (D)	92
	12452-PP9 10 11-1 70.3kg Chris Grant <i>Danny McMenamin</i> Proved consistent sent handicapping over hurdles, opening account at Carlisle (24.6f) last season and in the frame 3 of next 4 outings. However, pulled up in 2 starts over fences this term and failed to revive back hurdling at this C&D last time. Cheekpieces reached for.	
8	CUILLIN RIDGE (31)	94
	867-8574 6 11-1 70.3kg Henry Daly <i>David Bass</i> Bred for longer trips and, ridden more positively on his second handicap start, took a step forward when fourth of 11 at Huntingdon (19.6f, soft) in December. Visor now added and he could still have more to offer upped in distance.	
9	KING CASEY (IRE) (21)	91
	3/5PP-6484 6 10-10 68.0kg Joanne Foster <i>Brian Hughes</i> Without a win but shaped better than on first 2 starts in handicaps when fourth of 9 at Market Rasen (23.1f) in June. Stepped up on recent run when filling the same position at Catterick (25.3f, good) 3 weeks ago, though more needed if he's to break his duck.	
10	FANCY NANCY PANTS (26)	90
	44640-P43 6 10-2(10-0) 64.4kg (63.5kg) Philip Kirby <i>William Maggs (51lb/2kg)</i> Bred to stay well and, having slipped in the weights, showed more than previously when third behind a pair of unexposed types in 16-runner handicap at this C&D (soft) in December. Task is now to build on latest effort from 2 lb out of weights.	

BETTING FORECAST:

10-11 Bollin Thou, **6-1** You Did, **8-1** Clondaw Royale, **11-1** Cuillin Ridge, **16-1** Farmer Jimmy, **22-1** Fancy Nancy Pants, **22-1** Ballin Bay, **28-1** Glory Hights, **40-1** bar

TIMEFORM VIEW:

BOLLIN THOU has been thriving of late, comfortably landing the hat-trick at Lingfield 3 days ago, and he can maintain his unbeaten record under Sean Bowen with further progress still possible. The biggest threat could come from You Did, who has been suited by going up in distance, ahead of Cuillin Ridge.

TIMEFORM 1-2-3:

1. BOLLIN THOU 2. YOU DID 3. CUILLIN RIDGE
