4 Cristal Medallion has shown great form this winter and scored a well deserved win in the last run after a nice trip from the back until the home stretch. Looked very nice and could scored a new victory here. Our pick. 3 My Sea has done well in his comeback even if he got defeated in the last run. He looked on the way to victory from outside the leader until 100 meter to go. 9 Zätas Forever Star has been consistent and good. Should be even improved by the last seasonal debut. 1 Armida F.B. has very good capacity when she trots well. Has got a break before this race and that could be an advantage.

10 Tinder Lars has won five out of seven starts. Has scored four straight wins and is really good for this class. Showed 26/1500 after a mistake two starts back and set a new record from outside the leader in the last run. Hard to beat. 13 B.W.Bille is a fast horse who likes this distance. Faces a tricky number and handicap though. He scored a splendid win in the seasonal debut. 6 Backhammer was good in the last comeback race and is good for this class. Meets very tough opponents. Outsider. 8 Diesel Harry showed very good speed in the last run and would probably have won if he had avoided one mistake.

2 B.G.Pastor Jonte has shown great form lately and after two convincing wins in a row he put in a strong effort from outside the leader in the last run. Likes both this number and this distance. 10 Jockes Abbot finished the last season with two straight wins and is really good for this class. Has galloped lately but is driven by trainer Bergh now. 11 Qrystal Roc had a good season last year with five wins. Should be followed directly after a break. She can finish strongly. 5 Bastian Boom was brave from outside the leader in the last run and is good enough to be in the mix.

2 Gooner has been improved for trainer Wäjersten and scored a nice V75 win on home track Bergsåker in December. Easier opponents now and should have a good chance to win this. 4 Dollar Hornline is also good when he lives up to his capacity. Has two runs under his belt and is on the way up again. Challenger. 5 Ready Lane won in the lead in the comeback and prefers to run in front. Interesting here with this nice number. 8 Pontiac S.W. has become more reliable and has put in two good efforts. Should not be underestimated.
