## RANK

**5 That's It** has been improved a lot during recent months. Is strong and tough and likes these conditions and will not be easy to defeat with the right attack during the final lap. **1 Barefoot Bubbly** is not particularly fast from the start, but now he is the only horse in the first circle and will find the lead here. Could lead this for a long while. **9 Fönix Vang** has the capacity to win the race, but returns after a pause and may possibly need a run under his belt before he is at his best. **11 The Bugatti Veyron** won with energy spared last time. Different conditions now should not be discounted completely.

**8 Global Delicious** looked fine as locked in last time. Has to defend a victory five starts ago here and is certainly well prepared. Good chance despite the starting lane. **12 Bör Bornson** has shown good speed in Norway. Now makes an interesting debut for trainer Preben Sövik and should be counted immediately. **3 Staro Queens** showed great form during the autumn. Not as good at the end, but should not be overlooked in an open race. **11 Jackie Lee** has not won yet after 20 attempts, but is in good shape for the day.

**4 Alvena Matteus** followed strongly in the last run after a fast opening lap. Could reach the front again and is the horse to beat in that position. **7 Roger More** can also open fast from the start. Could reach the front, but has to be considered regardless the journey. **10 Gabriel Avenue** has put in consistent and good performances at the end. Good finisher who will be in the mix again. **5 Perfect Harmony** has taken all five wins from the lead, a position which we don't think he will reach this time.
