7 **Pewdiepie** has good capacity and will probably find an early lead from this nice number together with gifted Björn Goop. Top chance. 8 **Mario Andretti** has won half of his starts and should be considered early with this number. Could get a nice defensive trip. Challenger. 5 **Dats Pepito** is not bad and has shown good speed. With the right journey he could be in the mix. 1 **Cena** makes his debut for trainer Björn Goop. If he would find the position behind the leader he could be dangerous.

4 She Follow Me makes her debut under the saddle and we think that will suit this big strong horse perfectly. Finished really fast in the last race. Our pick. **9 Gretzky Boko** is an established horse in this discipline and he has to be considered early together with Emilia Leo. Is consistent and interesting here after a break. **6 Global Skipper** is a nice trotter who uses to put in a good effort. Can do it tough and has to be followed here. **10 Categorical** looked really nice in the seasonal debut in the last race and is certainly improved a lot by that run. Warning.

5 Stepping Moneyboy comes from a nice performance in a really good time. Will probably find an early lead here and has top chance in that case. **1 Global Unesco** has very good capacity but does not always trot well. Without a mistake he is the main challenger. **15 Bear Hope** uses to meet very tough opponents but this number is really poor. Possible with some racing luck. **12 Hands Down D.E.** is up and down and can do it tough. Is really good every now and then and could be in the mix if he is at his best.

Worth a warning with some racing luck and in case of fast pace. 7 **Quickly S.W.** comes from a splendid victory. 4 Royal Navy Neo has got a short break and faces nice conditions in this seasonal debut. Could find an early lead and is the horse to beat there. Good chance. 11 Deep Pockets has very good capacity and makes his very interesting debut for a new trainer here. Possible despite this number. 6 Dizzy River uses to meet tough horses and the Johan Untersteiner stable is in good shape. 7 Monfalcone should not be overlooked either. The horse can finish really fast every now and then. Early choice but needs some racing luck.
