9 Asakstjerne has won five out of eight starts so far and been at least third. Resumes from a short break but should have a good chance directly. 2 Vesle Vilje has three straight second spots and was close to win in the last run after a strong final stretch. Early challenger. 6 Pirakles did not convince in the seasonal debut and has been a non-starter after that. The form is a question mark. Has good speed. 1 Hornnes Sol got a bad start with the same number in the last run. Is quite good for this class.

5 Sâstad Spretten is our pick in this open race. He galloped on the way to a second spot on the home stretch in the last run. Chases revenge now. 2 Sangviksodin has good speed but is not reliable. Nice number behind the gate. Early choice without a handicap. 6 Vidarson V.A. finished well to fourth and is certainly on the way up. Debut behind the gate here. 11 Nordby Sleipne won easily in the last run. Poor number now but the horse has started with two wins in three starts.

3 Janne Frecel has been on the way up the last month. Faces nice conditions here with this number over the short distance and quite easy opponents. 6 Helen Boko finished well to third in the last run. Needs a nice defensive trip and should not be overlooked in that case. 5 Abrakadabra finished quite well to a fifth spot in the last run. Has to be considered behind our top duo. 8 Glamour Tilly T.E. made an early mistake in the last seasonal debut. Is quite good for this class though and has to be followed here.

4 Hassel Oliver set a new record over this distance and this starting method in the last run and is in good shape. Finished strongly to a second spot and is our pick here. 1 Åsaguten is consistent and good. Won two starts back despite a trip outside of the leader. Early choice. 7 Såstad Brage is better than the latest results show. If he avoids a mistake he is possible here. 6 Briskeby Miks was not at his best at the end of last year. Seasonal debut here and could be an outsider.
