5 Victoria LL did not trot well last time and galloped. In the race before the mare scored a good win from the lead and if she gets there now - which we believe - her chances of winning will increase. **2 Eton Degato** will also go for the lead where he likes to run and is undefeated after two attempts. **6 Nalanji Boko** has got two runs under his belt and is starting to approach top form. In the mix. **11 Devs Donator** looked nice in his comeback last time. Other conditions now, but cannot be ruled out.

3 Cooper TM won directly after a break last time. Got a perfect trip then but the impression was really good. Has likely moved forward with that race and could score a new victory here. **2 Röde Orm** makes his first start for the new trainer. Hasn't started since October, but should be counted right away. **7 Rubin Diablo** has not convinced at the end, but can do better than that. Should not be overlooked. **4 Bör Bornson** galloped twice in the comeback. Has great speed and can surprise.

5 Azzurro continued to show top form last time when the five-year-old was able to win in a good way. He can open fast and must have good opportunities to find the lead and from there he will not be easy to defeat. **8 Harald Derm** can open quickly and will get a nice position despite this starting position. Challenger. **9 Rarely Access** followed well last time after an outside run. Is in good shape and should be able to be on the podium. **6 Hotliner** gave up the last bit last time, but still did alright. Possible behind the favorite.

1 Stens Rebell is coming back after a pause and even if the form is somewhat difficult to predict, he should be seen with the greatest chance of winning this race from this nice starting lane. **4 Global Everytime** has a fast start and should he manage to get to the lead, the chances of victory increase. **12 Jakiro Mearas** galloped with 400 meter to go last time with energy left. Difficult draw, but good enough to be in the mix here. **11 I Am Fredrik** is not reliable at all, but will be far ahead without a mistake.

8 Digital Dominance followed strongly last time in a V75 race behind winning Four Guys Dream. Barefoot again is a plus and should have a good chance to round the field during the final lap. **5 Without A Doubt** has two runs under his belt after the layoff and is starting to approach top form. Far ahead. **7 Digital Summit** made an early gallop last time, but showed good form after that. Should be able to fight for victory. **9 Boli You SM** has not started since Christmas. The form is hard to predict, but the horse should not be underestimated.

2 Hipster DK looked brilliant last time as he showed great speed to finish to victory. Tougher opponents now, but should still have a good chance to win from a nice starting lane. **3 Caravaggio Jet** will be better with the last run under his belt and is the main challenger here. **6 Luca Barosso** has high capacity, but is not always reliable. Far ahead if he avoids a mistake. **7 Global Difference** is on the way up and must be counted despite this tricky lane.
