33 Patriot Ale had to do the tough job outside the leader last time and won impressively. Nice number and good chance to win this. 7 Casino Vendil has not been successful lately, but is a horse with good potential for this class. He should not be discounted. 5 Sun's Exciting has been scratched after his latest start. Combined with a tricky starting position, he is only considered an outsider. 8 Karl Johan is making his debut for a new trainer. He could get a nice trip and should not be overlooked.

10 Bravo Vincero won easily from the lead last time out. Seems to be taking races the right way and with even the slightest luck from post ten, a third win in a row could be possible. 5

Cillacanchilla has good speed for this class, but is not reliable either. Autostart could be a plus and if she stays faultless, she can go a long way. 2 Mayia Exclusive is making her first start since October 2021. Started promisingly as a three-year-old and is now ideally drawn. 7 Buy This Face won despite a mistake two starts ago. Tricky number, but has to be considered here too.

9 Lill Hans took over the lead after half a lap last time out, but couldn't hold on all the way. However, there's no concern about his form, and he made a good impression when he won two starts ago. 6 Målbo Urbin got locked in with saved energy in his last race. He won five out of 13 starts last year and has Ulf Ohlsson as his driver this time. 1 Ersa Frej needed the race last time out after a pause. He had a good season last year and should be considered early behind the favorites. 4 Skeie Trym had to do the work in the third lane for the last 850 meters two starts ago and held on strongly.

6 King Mr Theo is a consistent and reliable horse in this discipline. After several second places in a row, he finally won last time out. He faces quite easy opponents. 9 Importedfrmdetroit was beaten just before the finish line in a ridden race two starts ago. He has 40 meters to make up on the top pick - it's possible. 4 Global Born to Run is searching for his best form. On his good days, he is capable of fighting for a place in the top three here. 2 My Sea was weak last time out after a pause - unclear form for the day. However, with Emilia Leo in the saddle, he should always be considered.

4 The Bald Eagle faced tough competition in his seasonal debut. He likely benefited from that race and this race seems more suitable in terms of the competition. 3 Anchor Man has been absent from racing for a few months. He was frequently matched in the V75 last year, and that level of competitiveness can pay off here. 1 Solkattens Chiron had a noticeably improved finish last time, coming in fourth. He could surprise here if things fall into place. 10 Mellby Don Juan is slightly better than his recent form suggests. He's an interesting horse in case of quick pace in this race.

12 Lucia Lane won impressively two starts ago and continued her good form with a third-place finish. She now has a tricky post position with starting spot eight and a handicap, but has a good chance anyway with the right journey. 1 Solkattens Star is making her seasonal debut and her first start over the long distance. She is an interesting type who could lead the race for a long time. 11 Myrsjös Timeout started slowly last time out, but once he got going, he had a strong finish. He should not be overlooked. 4 No Remorse is one to watch out for. He finished well when he found an opening on the inside last time out.
