6 West Wind followed well as second in the last race behind the winner Cool Trix. The mare is fast when she had to save her speed and with the right journey she will not be easy to beat. **3 Miss Chevy Neo** is coming back after a long break and although the chances are not easy to predict, she is an early contender. **9 Underbarosåfin** is in much better form than the results show. **10 Bounced** looked nice in the last race over the finish line with a bit of energy left. Could cause a surprise.

9 Tracy Tribute has not started since October and there are some question marks about her form. However, she has good capacity and if the mare is anywhere near what she is capable of, she should have the best chance to win this race. **3 Iulius Zet** has not started for a while either and makes his debut for a new trainer. Interesting! **15 Champagne For Me** showed nice pace last autumn and if she is as good now now she has to be considered. **2 Frank Vendil** has done decently so far but is still waiting for the first win.

9 Brageson faces nice conditions here and even though it is his seasonal debut, the nine-year-old should be able to solve this task. Our pick. **10 Re Vital** has been at least second in the last nine starts. Wins often and should be the main challenger to our pick. **2 Eld Vide C.G.** is in better shape this time and could be the winner with the right trip. **8 Backhammer** has good speed but is not reliable. He will be in the mix if he avoids a mistake.

6 Global Feature has got two runs under his belt after a break and is starting to approach top form. Has taken his only win from the lead and could now reach that position again. Our pick. **13 Don'taskdon'ttell** was really good in the last race and looks to be in good form today. **12 Sandsjöns Amazing** did well in the last race and is approaching the first win of the year. **3 Wilander** is consistent and good. Debut over the long distance, but should not be overlooked in a wide open race.
