## RANK

**1 Bäcklös Dida** has developed for every start. The mare won easily last time with some energy spared. Now it looks like she will be in the lead again and from there she is ready to set a strong new record. **5 Komnes Fina** has shown nice speed resources and is good enough to be in the fight for victory. **10 Nordlilja** has good capacity but is not reliable. Without a mistake she will be in the mix. **7 L.Q.Wessla** followed well as third in the last race behind two good horses. Could cause a surprise with the right trip.

**2 Hercules Godiva** is really good when he lives up to his capacity which he showed in the last race. If he avoids a mistake he has a good chance to win this. **6 Lookin At Lucky** is a quick starter and has won four out of five from the lead. The five-year-old will be difficult to catch if he reaches the front. **1 Tyson Renegade** can hardly defend this inner lane, but if he finds an opening, he is good enough to win this race. **9 Henessi Humble** looked nice when locked in last time and could cause a surprise in case of quick pace.

## RANK

**10 Ethel** started as late as last Saturday and sprinted well as fifth against tough horses. Speedy with the right trip from behind and she should have the best chance to win this race. **9 Dån Klara** was ahead of our pick in the last race, but did not trot perfectly. Early contender. **13 Hulte Alva** is consistent and even though she hasn't started for a while, she should be followed. **11 Hulte Annika** is used to tough opposition and even if the form is hard to predict, she should not be discounted.
