1 Kajser has now started three times for Christoffer Eriksson and is only getting better. Can open quite fast and has a good chance to find the lead with Jepson and from that position he is the horse to beat. Our pick. **12 Axios** scored a good win three races ago and if he can reach the same level now it could be good enough for victory. **5 Global Generation** performed well in the last race and finished second. Will soon score a victory. **9 Maiken Palema** is versatile and should be considered despite this lane.

7 Budets Arne came back well after a mistake in the last race. Hasn't won yet, but considering form and opposition he could be ready now. **2 Garonne Bro** has put in three consistent efforts so far and from a good starting position he should be one of the hot favorites in the race. **4 Savage Love** won easily from the lead in the last race and if the mare gets there again her chances of winning will increase. **11 C.Me Af Caramé** has done well in three races this year. Difficult starting position, but cannot be discounted.

1 O.M.Kerlone wasn't at his best last time but showed the right attitude in the races before. Jepson for the first time and from the lead he won't be easy to reach. **5 Datos Gangster** looks in good shape today. Has a strong final lap and could pass them all. **3 Expensive Jewel** puts in consistent and good efforts most of the time, but does not win very often. **2 Stepping Gogo Girl** is a quick starter and could challenge our pick. Possible with the right trip.

9 Candie Lock won easily in the last race with energy spared. Strong finisher and with the right trip from behind the horse should have the best chance to win this wide open race. **4 Leonora** looked to be heading for victory in the last race but had gave up shortly before the finish. She is in the mix with the right defensive journey. **12 Assar Wibb** has finished well lately without winning. Would benefit from high pace and is a contender in that case. **8 Germera Hall** is up and down in her performances but is possible here if she has one of her better days.

10 Dats Milian did alright in the last race and set a nice time. Met tough horses then and will go down in class now and should have a good chance despite this lane. **12 Farrokh Bulsara** owns great potential but is not completely reliable. Has good speed and is definitely fast enough to fight for victory. **11 Jackson Storm** is better than the latest results show and could be an unpleasant surprise with the right trip from behind. **1 Salazar** is coming off an easy victory. Tougher opponents now, but from a nice starting position he could be in the mix again.

1 Baron D.Sox makes his first start for Christoffer Eriksson. The six-year-old has always shown high capacity, but is not reliable either. Difficult to beat if avoiding a mistake. **7 Magic In** was the trainer pleased with before the last comeback race. Normally in the fight for victory. **5 Sultan Sea** did alright last time. Quick starter and from the front - where he is unbeaten after three attempts- he can lead this all the way. **11 Nencini** is really good when he is at his best. Bergh for the first time and that is of course interesting.
