4 Lake's Fire is probably the best horse here and earned the most money last year. However, he is not reliable and has galloped towards the end. Now driven by Ulf Ohlsson and has a good number. Our pick. **11 Bold Silver** has already taken three wins this year and sprinted to a superior win in the last race from exactly the same number. Early choice with a similar effort. **9 Rusty Cage** wins often and could get a nice defensive trip from here. Should be considered early on. **1 Pellegrino Pellini** has mostly raced in Finland lately. Should get a nice journey from this post. Now driven by Leif Eriksson. Place bet.

7 Lapland Lights gets our pick in this tricky race. Hasn't won yet after seven attempts but has put in several decent efforts. Now driven by Jens Eriksson. **11 Lupin Sisu** was undefeated last year in four starts and finished second in the comeback race two starts back. Heavily backed in his Swedish debut last time but kept just the pace most of the time. Tough lane. **12 Tougherthanothers** comes from several pretty good efforts. Won from the lead together with today's driver Ulf Ohlsson in May. Different number now but still early choice. **4 Biondi Bishop** is without victory in seven attempts but has made several good races. Good draw and should not be overlooked in this field.

3 S.G.Dangerous has started the year really well and is coming off a strong win. Has a good lane this time and should be considered early in this company. **12 Greenhill's Dancer** is probably the best horse but he has a difficult lane and will return after a longer break. Took two second spots in the V75 one year ago. Second start for the new trainer. New driver. **4 Fructose** is not that bad and if he finds the lead he will be dangerous. He has five wins out of five from there. **2 Livin High Sisu** won five races last year and earned quite good money. Not as successful this season but has a good number and can open quite fast. Contender.

10 Gastronomy has been quite consistent this year and scored a good win two starts back. Has a tricky number but is driven this time by Ulf Ohlsson and that is an advantage. **7 Fix You** opened fast to the lead in Finland in May and won easily. Competed in the V85 last time and kept up the pace well behind Husavik. Clearly easier opposition now and early choice. **4 Teton Hillcon** earned the most money last year and won together with Ove A Lindqvist at this track at the end of April. Good lane and has to be considered. **11 Chocliq Bishop** took an easy win in a mediocre race two starts back. He is good for this field and John Östman the driver now.
