1 Roller Coaster Ås resumed after a break in a V75-race and finished well after a tricky journey. Has earlier found the lead with this number one. Our pick here. 6 Eppur Si Muove was not at his best this spring and resumes from a pause now. Is fast and good enough to challenge directly. 7 Gigant Cogger is consistent and good but does not win very often. Got a defensive trip when they attacked from the back. Place chance here. 9 Jeans'n Passion uses to meet quite tough opponents. Outsider here with the right journey.

3 Just Make It likes the short distance and is well drawn behind the gate since she can open fast. Won in the lead on Tingsryd on June 11. Our pick. 7 A Cash Machine comes from an elimination heat to Stosprintern and set a new nice record. Easier opponents now. Early choice with the right journey. 2 Use Face is finally well drawn after a couple of poor numbers behind the gate. She should be considered early in this company. 4 Pim Pim Joli is a bit up and down and can open fast.

11 O.M.Gogentle started well as a three-year-old with two wins and a second spot in the first three performances. Resumes now from a long pause and looked nice in the last qualifier. Our pick directly. 1 She's Doing did alright from behind the leader in the last race and will certainly get a nice trip with this good number. Contender. 10 Redbull Pellini has got a longer break now. Is fast for this class but needs some racing luck. 2 Hurricane Woodland won in the lead in the last race and should not be overlooked either behind the favorite.

7 Chess Brodda finished well to third two starts back. We think she can do better than she has shown so far. Our pick. 6 Taittinger has not raced since February. Can open fast behind the gate and she is speedy for this class. 10 Bee Kronos has three runs under his belt after a long pause and should soon score the first victory of the year. Will defeat many opponents here with the right trip. 4 Galaxie du Try met tougher opponents in the last race. Easier this time. Possible.
