3 Lisandro Boko has done well so far and faces perfect conditions in this race. Goes for the front and he will not be easy to reach to from that position. **5 Miracolosa** is a strong sprinter and if she gets her trip from behind to the last half lap the mare will finish strongly. **11 M.T.Tatanka** was improved in the last race. Difficult draw now which reduces the chances. **9 Dibaba N.O.** is consistent but has not won a race for a while. Good draw and could surprise if the favorite fails.

1 Sol Bris was defeated by winning machine Alm Vinni in the last race and not much to say about that. Perfect conditions here and should have a good chance of leading the race all the way. **3 Kringlers Roskva** sprinted well in the last race and is probably a bit better now with that run under his belt. Good enough to pass all opponents. **9 Rötungen** comes from a nice performance and if she is as good now she could certainly win this race. **4 Miriam** is coming off victory but faces much tougher opposition now.

5 Mon's Tornado sprinted to the lead straight away in the last race. In that position he has taken ten of his thirteen wins. Our pick. **12 Global Adventure** was mediocre last time and has also been a scratch after that. Good for this context and should be considered. **9 Conch On Inn** scored a good win in the last race and is on the way up. In the mix here too. **7 Maison Plage** is in decent form and has a good starting position. Hard to win and is mainly a place bet.

3 Hola Jerven has two runs under his belt and is starting to get closer to top form. If he avoids a mistake he should have the best chance to win this race. **2 Brenne Maja** won despite a gallop in the last race. The mare is now the clear favorite for the lead and is an early choice from there. **12 Lill Alf** hasn't won yet, but owns good speed and soon the seven-year-old is a winner. **11 Hallsta Lasse** kept up the pace well to victory in the last race. Difficult draw, but is strong and passes many opponents at the end.
