1 Mary la Marc has started really well and comes with two wins in a row. Has a nice lane and should have a top chance again. Banker. **3 Jeanne d'Arc** has not won yet but been really consistent and good. Deserves a victory but our favorite is probably too good. **8 Lyanna** is not bad at all and won two starts back. Possible with a similar effort but is poorly drawn. **2 Miss Napolitaine** faces good conditions. She is not reliable at all but won when she avoided a mistake two starts back.

1 Kissed by Rain has shown great form lately and will probably get a good trip from this nice lane. Will face a bit tougher horses this time but still gets the tip. **4 Love Caviar** faces good conditions money-wise. Was second two starts back in a much bigger race than this and should be considered very early. **3 Kleopatra S F** was not empty when she galloped last time and scored a good win in the race before. Driven this time by Stefan Persson and can open quickly. **2 Jada** is quite consistent and could be a place bet.

3 Devil in the Sky didn't win a race last year in 15 starts but has been much more successful this season with five wins in 13 starts. Has a good lane. Difficult to beat from the front in this amateur race. **8 Andre Ward** has earned by far the most money in this field. Has shown good form and is a very early choice despite this 20 meter handicap. **7 Lucas Silvåkra** faces very tough conditions but is not that bad and hopes for quick pace. Place bet. **6 Handsome Henry W A** has shown good form of late but has a tricky number. Could surprise.

3 Monkey Osted Antik is now trained by Johan Untersteiner and makes an interesting start here after two gallop failures. Good lane and probably well prepared. Gets the tip. **6 Luci de Lux** took the lead from this number in the last race and finished second. Will probably go for the lead again and is looking for revenge. **2 Lucifer** is definitely good for this class but was not at his best last time. Contender if improved. Good lane. **8 Leonardo** did not score a place in ten races last year but has done really well at the end and seems in good form. Poor lane though.

8 Luther King is in poorly drawn but comes from a second place in a very good time. Driven this time by Stefan Persson and that is interesting. **9 Lanson** faces good conditions and wins quite often. Comes from victory too and is in good form. Patrick Larsen is in the driver's seat. **4 Natural Aveve** has only one win in 18 starts but comes from several consistent and good performances. Good post and early choice. **1 Lovely Laerke** won five out of eight races last year but is still without victory this season. On the rise and a good lane.

2 Lipa Wee is a phenomenon who has won ten out of 14 races. Won a big race last time and will face easier opposition this time. Good lane. Top chance. **1 Lets Go Ostedantik** is now trained by Johan Untersteiner. He has not impressed so far for the Halmstad trainer and galloped last time as heavily backed. Interesting lane. Challenger. **6 Get In Your Pj's** was fifth in a bigger race last time at Vaggeryd in Sverige but had scored two wins in a row before that. Early choice behind the favorite. **3 Late Night** was quite brave and finished fourth from the outside of the leader in the last race. Place bet.
