**8 Erik The Phantom** has high capacity when he is at his best - just like last time when he won in a good and almost impressive way. Top chance to finish to another victory. **6 Keyword** finished strongly in the last race and showed top form finishing 09.3/800 meter to a second place. Challenger to the favorite from the lead. **5 Attitude Superb** did well in the last race after a tricky journey. Good for this context and should not be discounted. **11 Zeolit** has not won a race since 2023, but is in good form and is an interesting outsider.

**4 Intensity** makes his debut under the saddle and is ridden by Jonathan Carre. Our pick in this open ridden race. **6 Martimo Sjöhammar** won straight away in his first start under the saddle. The victory was superior and with a similar effort he could score a new win here. **3 Nautica** is an experienced horse in this discipline and should be considered early from a good starting position. **2 Sweet Dreamboy** is a quick starter and will normally find the lead here. Makes his debut in this discipline, but from the lead the horse has won all five races.

**1 Ottens Leena** won easily from the lead two starts back and the mare could reach the front again here. Our pick. **7 Cassius** is a fast starter but finds it hard to beat our pick for the lead. Main challenger. **4 Pamela Boko** scored a good win in the last race and looks to be improving for every start. Has the capacity to fight for victory. **11 Daybreak Dream** was clearly positive in the last race and would probably have had two wins in a row if she hadn't galloped at the end in the previous race. In the mix.

**7 Diamond Kronos** has an interesting starting position. In the lead he is undefeated after four attempts and the horse to beat from the front. Top chance to lead this throughout. **9 I.D.Getgoing** is not that bad for this class and despite this number he should be seen as the biggest threat to our pick. **4 Maggie May Malt** followed well in the last race after a short break. With the right start the mare is an early contender here. **3 Hancock** is consistent and good and has a nice starting position as well. Should not be overlooked.

**2 Tutankhaton** is in much better form than the results show. Nice draw and has the best chance to win this race. **1 My Deal Is Sealed** has got defensive journeys lately and been locked in lately. Early choice if the horse finds room in time. **8 Filip Code** has a poor starting position but has the potential to be in the mix. **5 Speedy Star Vicane** is consistent, but doesn't win very often. Would benefit from quick pace.

**5 Julia Redmile Champ** won easily in her debut. Sprinted well to a third spot in the last race and set a good time. Good chance. **6 Mazzola** won the debut in an impressive style but did not convince as much in the last race. In the fight without a mistake. **4 Snowqueen** gave up in the last race after a tough first lap at high pace. Gets a defensive trip on the inside this time and passes most of the opponents at the end. **3 Melina Havelock** won straight away in her first race. Scored a close victory but the impression was really good.
