2 Chico Lane is clearly better than the latest results suggest. Has earned the most money this year and has competed a lot in the V75 lately. Quick starter and our favorite for the lead. **3 Ortega Newport** is Johan Untersteiner's choice in this race. Is good for this class and has a good lane. However, the horse has not competed since June. **8 Kenobi Mearas** galloped in the comeback in the last race but had three wins in a row before that. Difficult lane of course but faces nice conditions money-wise too. **5 Azzurro** is coming from a win and driven again by Tyler Mifsud. Good draw and has to be considered early as well here.

4 Fontasia Schermer has won five of eight races this year and done really well. Early gallop last time though and a scratch after that. Gets an offensive trip. Normally a good chance. **2 Kronprinsen** won five out of seven races last year. Was only closely defeated as third last time and is an early choice from this lane. **9 Jackson Storm** has only won once in eleven starts this year but has earned the most money. Is quite consistent but needs a bit of luck from here. **12 Taurus Crown** won together with Stefan Persson at this very track at the beginning of June. He ran in the lead then but is in a completely different draw now.

4 Go Kenneth Go has had a good season and also been successful in the V75. Should find a good position from here. Early choice. **3 Lakethesnake** has not won for a while but has faced some tough horses. Good lane and should be considered. **5 Djingis Khan** is also better than the latest results show. Has a nice draw and is good for this company. **12 Earnest** has clearly earned the most money in this race. Difficult lane of course but hoping for pace. Driven this time by Victor Rosleff.

7 Mister Who scored a good win in the last race and should have another good chance here especially now that one of the main challengers has become a non-starter. We expect an offensive journey by André Eklundh. **2 Taurus Tile** has won two of five races so far. Excellent lane this time and an early challenger to our pick. **12 Van Gogh O.** has shown good form of late and earned the most money this year. Poor lane of course and hopes for quick pace. **4 Only Muscles Steel** has not won yet after ten attempts but we expect that Johan Untersteiner's 4-year-old can do better. Should not be forgotten.
