RACE 7, V64-2

Auto 2140

8 **Perpetuate** was brave from outside the leader in the last race. Tricky number but normally he is too good for these opponents. 4 **Underbarosåfin** was defeated in the last V75-race after a couple of wins but did alright. Has won four out of eight starts and should be considered again. 6 **Qvanting Indika** is consistent and good. Got a tough journey during the final lap in the last race. 10 **Thelma M.M.** could get a nice trip from the back with this number and in that case she could be in the mix here.

RACE 8, V64-4

Auto 2140

2 **Wings Level** got defeated for the first time in the last race but did well and has got a nice number behind the gate here. Our pick. 6 **Dandruff** should be considered early here. She has only one win so far but is strong and tough. Possible here on her home track. 4 **Island Smart** had got a short pause before the last race and should be improved by that run. Early contender here. 5 **White Walker** started with four straight wins this spring. On the way up again. Should be followed.

RACE 9, V64-6

Auto 2640

7 Jano di Quattro is not reliable but likes the long distance. Won for Skoglund three starts back and should have a good chance without a mistake. **2 Strong Caviar** makes his debut in Sweden. Looked a bit slow underway in the last race but kept up the pace well. This 2640 meter is interesting. **10 Gala Journey** was second in the last race and improved. Is good for this class and should be considered early in this company. **12 Totte C.D.** won easily in the lead on September 21. Is driven by Magnus Djuse this time. Outsider.
