RACE 6, V64-1

Auto 2140

4 Divane Godiva has not won for a while but that is more or less a coincidence. Has got the best number of the favorites and she is our pick here. 6 Don Cash has good skills but does not often live up to that. If he is at his best he should be considered here. 9 Arvid S.H. is a lot better than the latest results show. Needs some racing luck with this number in the second line and is possible in that case. 1 Totti Face is fast enough to match tough horses but he has not competed for a while and the form is a question mark.

RACE 7, V64-3

Volt 2140

6 Niford des Baux comes from a Swedish Championships-victory together with Peter Arnqvist. The four-year-old has shown great skills and should have top chance this time too. 7 Piccadilly was too fiery in the lead in the last Grosser Preis von Deutschland and gave up. Can do better and is an early contender here. 8 Betting Pacer has been matched against tough horses and shown that she is good enough to be in the mix against the best of her year. Is driven by the trainer now but should be considered early anyway. 5 Caramelle T.T. is more strong than fast and quick pace would be an advantage. She should be considered as well here.

RACE 8, V64-5

Volt 2640

2 Huis Clos won after attack to the position outside of the leader in the last race and showed that he is back in good shape again. Could find the lead here but has a good chance regardless the journey. 5 Ego Sisu won directly in his comeback and convinced. Should be even better now and is an early contender. 9 Pagano wins often and with the right journey he is certainly fast enough to fight for victory here. 13 Sergie Phefirst does not win very often but uses to be in the mix. Contender here despite this tricky number.
