4 Indy Lane comes from a convincing victory. Took over the lead with one lap to go and won easily. Nice number and faces quite easy opponents. 3 All Star looked nice when he won two starts back. Galloped on the home stretch in the last race and was not empty then. Good place chance. 1 Quarcia is consistent and uses to meet tough opponents. Is well drawn and should be in the mix here too. 5 Take the Credit has not won yet after 19 attempts. Found room late on Gävle and was not empty at the end.

5 Global Blessing never found room after an inside journey in the last race and seemed to have lots of energy left at the end. Scored a nice victory before that. Our pick. 3 Young Mistress was second two starts back and really brave. Was not as good in the race after though. Chases the first win here and is possible with this nice number. 12 Ballerina Indika won directly after a break in the last race. Should be improved by that run and will go around many opponents here in case of quick pace. 7 Cigars Eagle Owl is possible too in case of over-pace.

7 Eigelands Fredrik took over the lead after 400 meter in the last race and was never really threatened after that. Is developing well for Westholm and should have a good chance again. 6 Wilda Simon is more strong than fast and this short distance is not an advantage. Could go around many opponents though in case of quick pace. 2 Lättis likes the short distance and set a nice time on Gävle two starts back. Nice number behind the gate. Outsider. 4 Furderud Prinsen is consistent and good. Has not won yet this year. Place chance here as well.

6 Eskobar Zet was too fiery from outside the leader in the last race and wasted lots of energy. Early choice if he stays calm now. 13 Chasingneonrainbow has scored two outstanding wins lately. Needs some racing luck with this handicap but should be considered early again. 5 Bank's Illusion did not trot well and galloped at the end in the last race. Can do better than that and should not be overlooked. 7 Sun's Ambitious got locked in with energy left in the last race despite an early mistake. Will soon score the first victory.

3 D.Day Zet was close to win in the last race. The horse has just run a couple of races this season but is our pick anyway with this nice number. 1 Twigs Got U. put in a strong effort directly for the new trainer in the last race after a pause. Should normally be improved by that run. Early choice. 4 Global Black Money comes from a Derbystoet elimination heat but met too good horses there. Wins often and should be followed. 6 Kainai Goj is in good form and should be considered too behind the favorites.

4 Global Bienvenue has been at least second in seven starts so far. Finished well after a pause in the last race and is our pick here. 2 Sparkling Diamond resumed from a spell in the last race and finished strongly to a third spot. Has five wins in 18 starts so far. Contender. 14 Smaragd Norrgård has been a non-starter and the form is a question mark after a break. Is good for this class though and can do it tough. 3 Ajlexes Elise is consistent and good. Outsider here with the right journey.
