7 Cheval Mon Ami has been competing a lot in the V75 lately. Has certainly become tougher and should be considered early in this company. Good chance with the right trip. 6 Babaris is consistent and good. Finished strongly to second two starts back and should be followed here. 10 Casino T.A. is fast for this kind of race but the form is a question mark. 3 Jack and Ginger can open fast behind the gate and this number is nice. Should not be overlooked here.

1 Gill Dings looked nice before the last race but might have needed that one after a pause. He could be improved by that run. 9 Needle'em is still waiting for the first victory ever. Has scored two second spots in a row lately and will soon score a victory. Could get a nice defensive trip with this number. 4 Dear Ronja dictated the pace in the lead in the last run but gave up at the end. She could be in the mix again here. 6 Hancock kept up the pace alright from behind the leader in the last run and came in fourth. Is consistent. Outsider.

9 Väskinge Molly is tricky and has galloped in the last four starts. Is driven by Mats E Djuse now. Interesting. Good chance if she avoids a mistake. 7 Mirakel Valle fought well in the lead in the last run and was defeated after a photo finish. Is in good form and will be driven by Widell again. Contender. 4 Perman won easily in the last run since the main rival galloped. Is certainly ready for a new record over the short distance. 1 Kattelbo Kajsa has been tricky lately but is an outsider if she avoids a mistake.

1 King Mr Theo was defeated in the last run after a couple of victories since he made an early mistake. Came back well though and is still in good form. 7 Captain P.R. makes his debut under the saddle and will be interesting to follow. Emilia Leo is a top jockey. Early contender. 4 Åcknes Elliot kept up the pace well in the last run and finished second under the saddle. Is consistent and should not be overlooked behind the favorite. 5 Jimmy Arthur makes his debut in this discipline. Is good for this class and an outsider this time.

2 Baracchi T.P. is the best horse in this field but at the same time he is not easy. If he is at his best he should have a good chance here. 9 Inshallah d'Estino parked outside of the leader with 1200 meter to go in the last run and scored a good second spot. Seems on the way up again. 12 Isas Dream Boy would prefer quick pace here. He uses to keep up the pace well and will defeat many opponents at the end. 3 En Garde is an outsider with this nice number and driven by Mats Djuse.

8 Golden Opportunity comes from a start in the V75. Was a bit fiery then and parked outside of the leader but gave up at the end. Better task this time and our pick. 7 Buggy can do better than shown in the last two starts. Came back well after a mistake on August 14 and should be considered behind the favorite. 14 Cape Town finished alright in the last run and is consistent and good. With the right trip from the back he will defeat many opponents here. 9 Conrad Launcher scored a sensational win in the V75 in April but has not been as good after that. Outsider here.
