3 Crossfire Selene attacked early in the last run and finished well even if he got defeated at the end. Deserves a victory and our pick here. 8 Livi Passport scored a strong second spot from outside the leader in the debut. Resumes from a spell now and should be considered early. Tricky number though. 10 Capture W.F. showed good skills as a two year old and will be interesting to see for the new trainer in this comeback. Has to be followed. 4 Aran Down Hill did well in the qualifier before this debut.

Good chance to beat these opponents. 11 Storm Rider has shown good skills but gallops a lot too. Mika Forss is an advantage. Challenger. 3 Höwings Zara has been consistent and good so far and is developing well. 9 Wolfhills Star had energy left in the last run and scored a good second spot before that too. On the way up.

He can do it tough too. 2 B.W.T.Dallas finished well after an inside defensive journey in the last run and was brave from outside the leader in the latest run in Sweden. 3 Neymar won in the lead two starts back.

Was closely defeated in the last comeback but looked nice. Very hard to beat now. 6 Liquify'em has been matched against tougher opponents in the Breeders' Crown. Was just closely beaten in the last run and faces easier horses now again. Challenger. 7 Queen of Knights likes this time of the year and she can do better than shown lately. Contender. 12 Ellen DeGeneres has a couple of wins this autumn and could cause an upset despite this poor number.

Two horses are a lot better than the rest. 12 Don Viking has convinced this autumn and after a second spot in the Swedish Championships and a victory in the Swedish Monte Championships he is our pick here. 6 Forspärta galloped on the way to a second spot behind Tangen Haap in the last run and has been a surprise this year after meeting tough horses. Faces nice conditions here as a mare. 7 Spang Viktor is very good for this class but the form is a question mark. Has to travel far but is certainly well prepared. 11 Torpa Olea is a very good mare in Sweden and she uses to be in the mix. Has not won yet this season though.

3 Kaj di Quattro scored his first win in the last run after a strong finish and met very tough opponents in the race before. Will be very interesting to follow for the new trainer. Early choice here. 1 Solar Wind won directly in the lead in the debut for the new trainer two starts back. Needed the last run after a pause but is certainly improved by that start. Could find the lead. 5 Xanthis Excalibur has been improved lately and can finish fast. Is in great shape. 12 A.W.'s Fastlight won comfortably in the lead in the last run. Tricky number now.

A couple of good Finnish guests here. 3 Ariston has earlier failed in Boden heavily backed but has been improved in home country Finland this season and faces nice conditions here. Should have a good chance to win this. 11 Boogiewoogie Laday wins often and has earlier scored a couple of convincing wins in Boden. Did not impress in the last run though and has recharged the batteries. 5 Merrimac S.G. scored a nice second spot in the V75 in August but the form is a question mark now. 4 Dyrgripen finished well to second for the new trainer in the last run. Open race since the best horses did not convince in their latest runs. 4 **Anthem** is better drawn than his main rivals. Galloped on the home stretch on the way to victory in the last run and chases revenge here. 14 **Dante Godiva** got a very tough opening in the last run and was early defeated. Normally he is strong enough to do it tough. 8 **Electric Eye Am** has scored a couple of splendid wins this autumn but was not at his best in the last run. He likes to run in front and will probably get an offensive journey again. 15 **Forastero** likes this time of the year and is really strong.

6 **Selmer I.H.** has become more consistent this autumn and seems back in the same form he showed as a four year old when he won a Breeders Crown final. Comes from a splendid victory in Boden and showed 11.5/2140 meter. Nice task again here. 5 **Hesiod** is consistent and good but he has not won yet this season. Does not always show the right attitude at the end. 3 **Remote Control** won comfortably under the saddle in the last run but faces much tougher conditions this time. 8 **Cupido Sisu** is back in good form again and won comfortably in the lead in the last run.

6 Nygaards Solan has done really well for the new trainer and is developing very fast. Has scored the first two wins and comes from a comfortable victory in the front. Nice number together with Ohlsson again. Our pick. 2 Deviljas Oden had energy left from behind the leader in the last run and scored a convincing victory before that. On the way up and main challenger. 4 Fall Galder is a nice trotter who was really good in the last run against tough opponents. Should not be underestimated again. 12 Ivarsviking has good speed but is not reliable. Possible if he avoids a mistake.

Poor race. 11 Night Rhythm is really good for this class but he has had a lot of problems the last couple of years. Has got a new trainer and meets easy opponents this time. 12 Digital Engine has not won yet this season and is not as good as he used to be. Comes from a good second spot though and is an early choice in this company. 14 Antonio America is good for this class but has failed this season. Mika Forss is an advantage. Outsider. 13 Dwight Sisu is normally good for this class and likes to compete this time of the year.
